STANDALONE FINANCIAL STATEMENT

INDEPENDENT AUDITORS' REPORT

To The Members of Edayar Zinc Limited
[Formerly Binani Zinc Limited]

Kolkata

Report on the Standalone Financial Statements

We have audited the accompanying Standalone Financial Statements of Edayar Zinc Limited [formerly Binani Zinc Limited] ("the Company"), which comprise the Balance Sheet as at 31st March, 2016, the Statement of Profit and Loss and the Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Standalone Financial Statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these standalone financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on whether the Company has in place an adequate internal financial control system over financial reporting and the operating effectiveness of such controls. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March 2016, and its loss and its cash flows for the year ended on that date.

Emphasis of Matters

We draw attention to the following matters in the Notes to the financial statements:

- a) Note No.32 of the Financial Statements stating that the net worth of the company has been fully eroded and a reference has been made by the company to the Board for Industrial and Financial Reconstruction, which, along with other matters as stated in the Note, indicate the existence of a material uncertainty that may cast significant doubt about the Company's ability to continue as a going concern. However, for the reasons stated in the Note, the management is of the opinion that it is possible to revive and turnaround the Company and to continue as a going concern, and accordingly the accounts of the company are drawn up on a going concern basis.
- b) Note No.33 of the Financial Statements stating that in the opinion of the management, there is no impairment in the value of the fixed assets to be recognized in the accounts at this stage, within the meaning of Accounting Standard (AS) 28 – Impairment of Assets, notified by the Companies Accounting Standards Rules 2006, which is however dependant on various uncertainties over its ability to continue as a going concern, as stated therein.

- c) Note No. 36 of the Financial Statements stating that stay has been granted by Hon'able Bombay High Court against the proceedings initiated by Banks under Section 13(4) of the Securitisation and Reconstruction of Financial Assets and Enforcement of Security Interest Act, 2002 (SARFAESI Act), the lifting of which can affect the going concern assumption of the company.
- d) Note No 37 of the Financial Statements stating that application for closure of plant was rejected by the Government of Kerala and rejection of review petition filed under the Industrial Disputes Act 1947 against which the company has filed a writ petition in the Kerala High Court. Based on a legal opinion the Company has not provided for wages and statutory dues of non-managerial staff from July 1, 2015.

Our report is not qualified in respect of these matters.

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the Annexure a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

NOTES ATTACHED TO AND FORMING PART OF FINANCIAL STATEMENTS

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

1.1. BASIS OF ACCOUNTING

The financial statements of the Company have been prepared in accordance with generally accepted accounting principles in India (Indian GAAP). The Company has prepared these financial statements to comply in all material respects with the Accounting Standards specified under Section 133 of the Companies Act 2013 ("the 2013 Act") read with Rule 7 of the Companies (Accounts) Rules 2014. The financial statements have been prepared on an accrual basis and under the historical cost convention. The accounting policies adopted in the preparation of financial statements are consistent with those of previous year.

1.2. USE OF ESTIMATES

The preparation of the financial statements, in conformity with the generally accepted accounting principles, requires the management to make estimates and assumptions that affect the reported amounts of assets and liabilities on the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. These estimates are based on the management's best knowledge of current events and actions. Differences between actual results and estimates are recognised in the period in which the results are known/materialised.

1.3. REVENUE RECOGNITION

Sales are recognised on transfer of title of the goods to the customers. Other incomes are recognised on accrual basis except when there are significant uncertainties.

1.4. TANGIBLE FIXED ASSETS

Tangible Fixed Assets are stated at cost, net of cenvat, less accumulated depreciation and impairment in value, if any. Interest and Finance costs, if any in respect of loan for financing Fixed Assets, are capitalized till the date the assets are ready for use. Subsequent expenditure related to an item of tangible fixed assets is added to its book value only if it increases the future benefits arising from the existing assets beyond its previously assessed standard of performance. Costs include trial run, stabilization expenses and incidental expenses up to the date of capitalisation.

1.5. INTANGIBLE FIXED ASSETS

Intangible Assets acquired separately are measured on initial recognition at cost. Intangible Assets are amortised on a straight line basis over the estimated useful economic life. Expenditure on major computer software is amortised over the period of expected benefit not exceeding five years.

1.6. DEPRECIATION AND AMORTISATION

Depreciation on plant and machinery (except office equipments and transport equipment) is provided on Straight Line Method on the basis of the useful life in the manner prescribed as per Schedule II of The Companies Act, 2013.

Depreciation on other fixed assets, office equipments and transport equipments is provided on Written Down Value Method on the basis of the useful life in the manner prescribed as per Schedule II of The Companies Act, 2013.

1.7. IMPAIRMENT OF TANGIBLE AND INTANGIBLE ASSETS

Impairment loss is charged to the Statement of Profit and Loss in the period in which, an asset is identified as impaired, when the carrying value of the asset exceeds its recoverable value. At the end of each reporting period, the Company determines whether a provision should be made for impairment loss on tangible and intangible assets by considering the indications that an impairment loss may have occurred in accordance with Accounting Standard 28 on "Impairment of Assets" issued under Accounting Standards Rules, 2006. The impairment loss recognised in the prior accounting periods is reversed, if there has been a change in the estimate of recoverable amount.

1.8. VALUATION OF INVENTORIES

Raw Materials and Work-in-process is valued at weighted average cost (net of cenvat).

Stores and Spares have been valued at weighted average cost (net of cenvat).

Finished Goods have been valued at lower of cost and net realisable value. Cost for this purpose includes direct cost, attributable overheads and excise duty.

By-products are valued at estimated selling price.

1.9. INVESTMENTS

Long term investments are stated at cost. Provision is made to recognize any diminution other than temporary in the value of such investments. Current investments are carried at lower of cost and fair value.

1.10 EXPORT INCENTIVES

Export incentives are recognised on exports on accrual basis, and based on the estimated realisable value of such entitlements.

NOTES ATTACHED TO AND FORMING PART OF FINANCIAL STATEMENTS

The net present value of the obligation for gratuity benefits as determined on actuarial valuation conducted annually using the projected unit credit method, as adjusted for unrecognised past services cost, if any, and as reduced by the fair value of plan assets, is recognised in the accounts. Actuarial gains and losses are recognised in full in the Statement of Profit and Loss for the period in which they occur.

Provision is made in the accounts if it becomes probable that an outflow of resources embodying economic benefits will be required to settle the obligation, in respect of which a reliable estimate can be made. Contingent liabilities are not provided for, but are disclosed in the financial statements. Contingent Assets are neither recognised nor disclosed in the accounts.

1.16. RISK MANAGEMENT TRANSACTIONS

The Company uses derivative instruments to hedge the risk of movements in commodity prices. - 27.2. In the year 2004 KSEB had imposed penalty of ₹20 lakhs per month for unauthorized additional load. The Single Bench of the Hon'ble High Court of Kerala, had in December 2009, disposed the Company's Petition against the Order of the Appellate Authority (Dy. Chief Engineer KSEB) and quashed the order levying penalty for unauthorised additional load. Matter was remanded with a direction to take a decision afresh in accordance with Law considering the bonafide conduct of the Company. The Single Judge held that the Company had obtained all the necessary approvals & energization order from Electrical Inspectorate as stipulated in the conditions of supply of KSEB and since there was no violation, the penal charges are not payable. However matter was remanded. Company filed appeal against remand before the Division Bench. Division Bench held in Company's favor completely. Hence no provision is considered necessary at this stage.
- 27.3. In respect of electricity charges payable for certain years in the prior period, KSEB had withdrawn the concessional tariff eligible for the Company. Though initially the tariff concession was extended, it was subsequently withdrawn by KSEB, on the specific plea that the capacity expansion (which was the criteria for eligibility) was not achieved before due date. KSEB raised claim for ₹ 816.88 Lakhs for those years, which was provided for. The Company had taken up the matter before the Hon'ble High Court of Kerala, which was admitted. KSEB withdrew its earlier order and sought permission for de novo determination, which was accepted by the Single Judge. Company went before Division Bench to issue necessary orders for accepting Company's eligibility. Hearings have been completed and reserved for judgement. Since the matter is pending for nearly three decades and based on the legal advice obtained, the said amount of ₹ 816.88 lakhs provided for, was considered no longer payable and written back in the accounts of the Company in the year 2003-04. The Company, as legally advised, is hopeful of a favourable decision on final settlement of the issues involved in the matter and hence no provision is made for the said amount, which is included under contingent liabilities.
- 27.4. In respect of capital goods imported at concessional rate of duty under the Export Promotion Capital Goods Scheme, the Company has an export obligation of ₹ 817.81 lakhs (P.Y ₹ 693.06 lakhs), which is required to be met at different dates, before November 2019. In the event of non fulfillment of the export obligation, the Company will be liable to refund the avilment of concessional customs duties and penalties as applicable.

The Company has not operated the plant since November - 2014 and yet had been paying salaries to the workers and management staff. An application for closure of the plant was made to the Government of Kerala on June 12, 2015 and the same was rejected without granting us an opportunity to be heard. On October 16, 2015 the Labour Secretary rejected the review petition filed under Section 25-0(5) of the Industrial Disputes Act, 1947. Consequently, the Company filed a writ in High Court of Kerala seeking directive to refer the matter for adjudication. The Company has paid full salaries to the workers till June 2015. All the management staff were retrenched w.e.f 31 July, 2015. Based on a legal opinion the Company is of the view that refusal of the permission for closure would not result in the closure of the undertaking being deemed illegal within the meaning of sub-section (6) of section 25-0 of the Industrial Disputes Act, 1947. As a consequence thereof, pending final adjudication of the matter, the fact of closure of the plant would not ipso facto entitle the workmen to benefits under any law for the time being in force as if the undertaking had not been closed down. The actuarial liability has been worked out accordingly.

The above disclosures are based on information certified by the independent actuary and relied upon by the auditors.

Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on whether the Company has in place an adequate internal financial control system over financial reporting and the operating effectiveness of such controls. Emphasis of Matters

We draw attention to the following matters in the Notes to the financial statements:

- a) Note No.33 of the financial statements stating that the net worth of the Holding Company has been fully eroded and a reference has been made by the company to the Board for Industrial and Financial Reconstruction, which, along with other matters as stated in the Note, indicate the existence of a material uncertainty that may cast significant doubt about the Holding Company's ability to continue as a going concern. However, for the reasons stated in the Note, the management is of the opinion that it is possible to revive and turnaround the Company and to continue as a going concern, and accordingly the accounts of the Holding Company are drawn up on a going concern basis.

- b) Note No.34 of the financial statements stating that in the opinion of the management, there is no impairment in the value of the fixed assets to be recognized in the accounts of the Holding Company at this stage, within the meaning of Accounting Standard (AS) 28 – Impairment of Assets, notified by the Companies Accounting Standards Rules 2006, which is however dependant on various uncertainties over its ability to continue as a going concern, as stated therein.
- c) Note No. 37 of the financial statements stating that stay has been granted by Hon’able Bombay High Court against the proceedings initiated by Banks against the Holding Company under Section 13(4) of the Securitisation and Reconstruction of Financial Assets and Enforcement of Security Interest Act, 2002 (SARFAESI Act), the lifting of which can affect the going concern assumption of the company.
- d) Note No 38 of the financial statements stating that application made by the Holding Company for closure of plant was rejected by the Government of Kerala and rejection of review petition filed under the Industrial Disputes Act 1947 against which the company has filed a writ petition in the Kerala High Court. Based on a legal opinion the company has not provided for wages and statutory dues of non-managerial staff from July 1, 2015.

Our report is not qualified in respect of these matters.

28.2 In the year 2004 KSEB had imposed penalty of ₹20 lakhs per month for unauthorized additional load. The Single Bench of the Hon'ble High Court of Kerala, had in December 2009, disposed the Company's Petition against the Order of the Appellate Authority (Dy. Chief Engineer KSEB) and quashed the order levying penalty for unauthorised additional load. Matter was remanded with a direction to take a decision afresh in accordance with Law considering the bonafide conduct of the Company. The Single Judge held that the Company had obtained all the necessary approvals & energization order from Electrical Inspectorate as stipulated in the conditions of supply of KSEB and since there was no violation, the penal charges are not payable. However matter was remanded. Company filed appeal against remand before the Division Bench. Division Bench held in Company's favor completely. Hence no provision is considered necessary at this stage.

28.3 In respect of electricity charges payable for certain years in the prior period, KSEB had withdrawn the concessional tariff eligible for the Company. Though initially the tariff concession was extended, it was subsequently withdrawn by KSEB, on the specific plea that the capacity expansion (which was the criteria for eligibility) was not achieved before due date. KSEB raised claim for ₹ 816.88 Lakhs for those years, which was provided for. The Company had taken up the matter before the Hon'ble High Court of Kerala, which was admitted. KSEB withdrew its earlier order and sought permission for de novo determination, which was accepted by the Single Judge. Company went before Division Bench to issue necessary orders for accepting Company's eligibility. Hearings have been completed and reserved for judgement. Since the matter is pending for nearly three decades and based on the legal advice obtained, the said amount of ₹ 816.88 Lakhs provided for, was considered no longer payable and written back in the accounts of the Company in the year 2003-04. The Company, as legally advised, is hopeful of a favourable decision on final settlement of the issues involved in the matter and hence no provision is made for the said amount, which is included under contingent liabilities.

28.4 In respect of capital goods imported at concessional rate of duty under the Export Promotion Capital Goods Scheme, the Company has an export obligation of ₹ 817.81 Lakhs (P.Y ₹ 693.06 Lakhs), which is required to be met at different dates, before November 2019. In the event of non fulfillment of the export obligation, the Company will be liable to refund the availment of concessional customs duties and penalties as applicable.

The Company has not operated the plant since November - 2014 and yet had been paying salaries to the workers and management staff. An application for closure of the plant was made to the Government of Kerala on June 12, 2015 and the same was rejected without granting us an opportunity to be heard. On October 16, 2015 the Labour Secretary rejected the review petition filed under Section 25-O(5) of the Industrial Disputes Act, 1947. Consequently, the Company filed a writ in High Court of Kerala seeking directive to refer the matter for adjudication. The Company has paid full salaries to the workers till June 2015. All the management staff were retrenched w.e.f 31 July 2015. Based on a legal opinion the Company is of the view that refusal of the permission for closure would not result in the closure of the undertaking being deemed illegal within the meaning of sub-section (6) of section 25-O of the Industrial Disputes Act, 1947. As a consequence thereof, pending final adjudication of the matter, the fact of closure of the plant would not ipso facto entitle the workmen to benefits under any law for the time being in force as if the undertaking had not been closed down. The actuarial liability has been worked out accordingly.

The above disclosures are based on information certified by the independent actuary and relied upon by the auditors.
