NOTICE OF ANNUAL GENERAL MEETING

NOTICE is hereby given that the 18th Annual General Meeting of the Members of **EDAYAR ZINC LIMITED** (Formerly known as Binani Zinc Ltd) will be held on Monday, 24th December , 2018 at 11.30 a.m. at Rabindra Thirtha Premises No. 35-1111, Major Arterial Road, 3rd Rotary, New Town, Kolkata - 700156 to transact the following businesses:

ORDINARY BUSINESS:

1. To receive, consider and adopt the Standalone and Consolidated audited Financial Statements of the Company for the Year ended 31st March, 2018, including the Audited Balance Sheet as at 31st March, 2018, together with reports of the Directors and the Auditors thereon.

2. To ratify the appointment of M/s Udeshi Shukla & Associates, Chartered Accountants, Statutory Auditors of the Company in respect of financial year 2018-19. M/s Udeshi Shukla & Associates were appointed as Statutory Auditors of the Company in the 15th Annual General Meeting for a period of 5 years upto a maximum period up to the conclusion of Twentieth Annual General Meeting of the Company.

   To consider and, if thought fit, to pass, with or without modification(s), the following Resolution as an **Ordinary Resolution:**

   "**RESOLVED THAT** pursuant to the provisions of Sections 139, 142 and other applicable provisions, if any, of the Companies Act, 2013 read with Rules framed thereunder (including any statutory modification (s) or re-enactment thereof for the time being in force), the appointment of M/s Udeshi Shukla & Associates, Chartered Accountants, Mumbai (Firm Registration Number – 114886W) who were appointed as Auditors of the Company by the Members at the fifteenth Annual General Meeting of the Company to hold office till the conclusion of the Twentieth Annual General Meeting of the Company subject to ratification of appointment at every Annual General Meeting, be and is hereby ratified for the financial year ending March 31, 2019 and the Board of Directors / Audit Committee of the Company be and is hereby authorised to fix the remuneration plus reimbursement of out of pocket expenses as may be incurred by them in connection with the audit of the accounts of the Company for the financial year ending March 31, 2019."

SPECIAL BUSINESS:

3. **Appointment of Mr. Rakesh Kumar Rawal as Whole Time Director.**

   To consider and if thought fit, to pass with or without modification(s), as an **Special Resolution**, the following:-

   "**RESOLVED THAT** Pursuant to the recommendation of Nomination and Remuneration Committee and approval of the Board of Directors of the Company in their respective meetings held on 29th December 2017 and subject to provisions of Sections 196, 197 and 203 read with Schedule V and all other applicable provisions of the Companies Act, 2013 and the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014 [including any statutory modification(s) or re-enactment thereof, for the time being in force] and subject to such other approvals as may be required, the Company hereby accords its approval to the appointment of Mr Rakesh Kumar Rawal (DIN 02872407) as a Whole Time Director of the Company for a period effective from 29th December 2017 till 31st March, 2019 upon NIL Remuneration and Perquisites and other terms and conditions as set out in the draft Agreement entered between the Company and Mr Rakesh Kumar Rawal (a copy of which is placed before the meeting) with liberty to the Board of Directors to alter and vary the terms and conditions of the said Agreement as the Board of Directors may consider necessary and as may be agreed to by Mr Rakesh Kumar Rawal within the overall limits as specified in Schedule V of the Companies Act, 2013 for the time being in force or any statutory modification or re-enactment thereof and /or any rules or regulations framed thereunder and the terms of the aforesaid Agreement between the Company and Mr Rakesh Kumar Rawal shall be suitably modified to give effect to such variation or increase, as the case may be."

   "**RESOLVED FURTHER THAT** the Board be and is hereby authorised to do all acts and take all such steps, as may be necessary, proper or expedient to give effect to this Resolution."

4. **Appointment of Mrs. Kirti Mishra as Independent Director**

   To consider and if thought fit, to pass with or without modification(s), as an Ordinary Resolution, the following:-

   "**RESOLVED THAT**, pursuant to the provisions of Section 149, 152 and any other applicable provisions of the Companies Act, 2013 (the Act) read with Schedule IV thereto (including any statutory modification(s), enactment(s) or re-enactment(s) thereof, for the time being in force), Companies (Appointment and Qualification of Directors) Rules, 2014 and Schedule IV of the Companies Act, 2013 and such other Rules, as may be applicable, Mrs Kirti Mishra (DIN -07824918) being eligible to be an Independent Director, be and is hereby appointed as an Independent Director, not liable to retire by rotation, for a term upto the date of 20th Annual General Meeting of the Company to be held in the year2020.

   "**RESOLVED FURTHER THAT** the Board of Directors of the Company (including any Committee thereof) be and is hereby authorized to do all such acts, deeds, matters and things as may be considered necessary, desirable or expedient to give effect to this resolution.

5. **Appointment of Mr Rajeev Puri as Independent Director**

   To consider and if thought fit, to pass with or without modification(s), as an **Ordinary Resolution**, the following:-

   "**RESOLVED THAT**, pursuant to the provisions of Section 149, 152 and any other applicable provisions of the Companies Act,2013 read with Schedule IV thereto (including any statutory modification(s), enactment(s) or re-enactment(s) thereof, for the time being in force), Companies (Appointment and Qualification of Directors) Rules, 2014 and Schedule IV of the Companies Act, 2013 and such other Rules, as may be applicable, Mr. Rajeev Puri (DIN- 07305603) being eligible to be an Independent Director, be and is hereby appointed as an Independent Director, not liable to retire by rotation, for a term upto the 20th Annual General Meeting of the Company to be held in the year 2020.

   RESOLVED FURTHER THAT the Board of Directors of the Company (including any Committee thereof) be and is hereby authorized to do all such acts, deeds, matters and things as may be considered necessary, desirable or expedient to give effect to this resolution."

By Order of the Board of Directors
For **Edayar Zinc Limited**

Rakesh Kumar Rawal
Director

Place: Mumbai
Date : Sep 25, 2018

NOTES:

1. The Statement pursuant to Section 102 (1) of the Companies Act, 2013 with respect to Special Business set out in the Notice is annexed hereto.

2. **A MEMBER ENTITLED TO ATTEND AND VOTE AT THE MEETING, IS ENTITLED TO APPOINT A PROXY TO ATTEND AND VOTE INSTEAD OF HIMSELF/ HERSELF AND THE PROXY NEED NOT BE MEMBER OF THE COMPANY.** A person can act as proxy on behalf of the Members not exceeding fifty (50) and holding in aggregate not more than 10% of the total share capital of the Company. A Member holding more than 10% of the total share capital of the Company may appoint a single person as proxy and such person shall not act as proxy for any other Member.

3. The instrument of proxy in order to be effective, should be deposited at the Registered Office of the Company, duly completed, stamped and signed, not less than 48 hours before the commencement of the Annual General Meeting ('AGM'). Proxies submitted on behalf of the companies/bodies corporate etc. must be supported by an appropriate resolution/authority, as applicable. A Proxy Form is appended with this Notice.

4. During the period beginning 24 hours before the time fixed for the commencement of the AGM and ending with the conclusion of the AGM, a member would be entitled to inspect the proxies lodged at any time during the business hours of the Company, at its Registered Office provided that not less than three days of notice in writing is given to the Company.

5. Members/ Proxies should bring the dully filled Attendance Slip to attend the AGM.

6. The equity shares of the Company are eligible for dematerialisation with both the depositories, NSDL and CSDL. ISIN of the Company is INE310H01010. The Company's Shares however are not listed on any Stock Exchange.

7. A brief profile of Directors proposed to be appointed/reappointed is annexed hereto and forming part of this Notice.

8. The Register of Directors and Key Management Personnel and their shareholding, maintained under section 170 of the Companies Act, 2013 and the Register of Contracts and Arrangement in which the Directors are interested, maintained under section 189 of the Companies Act, 2013, shall be available for inspection by the Members at the AGM.

9. Members are requested to:

   a. bring their copy of the Annual Report for the AGM.

   b. address their queries relating to financial statements, if any, at the Registered Office of the Company at least ten working days in advance of the AGM, to enable the Company to keep the information ready.

   c. note that in respect of the shares held in physical form, all correspondence relating to share transfers, transmissions, sub-division, consolidation of shares or any other related matters and/or change in address or updation thereof, should be addressed to Registrar and Transfer Agents, , viz. Link Intime India Private Limited, having address at C-101, 247 Park, L B S Marg, Vikhroli (West), Mumbai – 400 083. Shareholders, whose shareholding is in electronic form, are requested to direct change of address notifications, registration of e-mail address and updation of bank account details to their respective Depository Participant.

   d. quote their DP ID No. /Client ID No. or Folio Number in all their correspondence.

   e. Corporate Members intending to send their authorized representative to attend the Meeting are requested to send to the Company a certified copy of the Board Resolution authorizing their representative to attend and vote on their behalf at the Meeting.

   f. In case of Joint holders attending the Annual General Meeting, only such joint holder who is higher in the order of names will be entitled to vote.

   g. Members holding shares in single and physical form are advised to make nomination in respect of their shareholding in the Company.

   h. Members, holding shares in more than one folio in the same name(s) are requested to send share certificates so as to enable the Company to consolidate all their holding into one folio.

   I The Securities and Exchange Board of India (SEBI) has mandated the submission of Permanent Account Number (PAN) by every participant in securities market. Members holding shares in electronic form are therefore requested to submit the PAN to their Depository Participants with whom they are maintaining their demat accounts. Members holding shares in physical form can submit their PAN details to the Company or to the Registrar and Share Transfer Agents.

   j. Note that the electronic copy of the Annual Report for the FY 2017-18 is being sent to all the members whose email IDs are registered with the Company / Depository Participant (s) for communication purposes unless any Member has requested for hard copy of the same. For Members who have not registered their email address, physical copy of the Annual Report is being sent by permitted mode.

10. The Company had forwarded Share Certificates of the Company to all the Shareholders in the year 2004 consequent upon hive-off of Zinc Division from the Erstwhile Binani Zinc Limited. Those Shareholders, who have not received the Company's Share Certificates, are requested to contact the Registrar & Share Transfer Agents of the Company.

11. The telephone numbers and email ID of concerned official/s of the Company responsible to address investor grievances are as under :

    (i) At Mumbai: Ms. Megha Bandi
    Tel. 022- 30263000/1/2
    Email: megha.bandi@binani.net

    (ii) At Kolkata: Mr. Sauvik Nayak
    Tel- 9836148768
    Email: sauvik.nayak@binani.net

12. The Annual Report for 2017-18 along with the notice of AGM, attendance slip and proxy form is being sent by electronic mode to all the Members who have registered their email IDs with the Depository Participants, Registrar and Share Transfer Agents and the Company unless where any Member has specifically

requested for the physical copy. The physical copies of the Financial Statements along with annexure thereto will be available for inspection at the registered office and corporate office of the Company during business hours on all working days. Members, who require physical copy of Annual Report, may write at the Regisered Office or Registrar and Share Transfer Agents. Members may further note that the Annual Report will also be available on the website of Binani Industries Ltd, holding company of the Company at www.binaniindustries.com for download.

13. Attention of the members is drawn to the provisions of Section 124(6) of the Act which require a company to transfer in the name of IEPF Authority all shares in respect of which dividend has not been paid or claimed for 7 (seven) consecutive years or more. In accordance with the aforesaid provision of the Act read with the Investor Education and Protection Fund Authority (Accounting, Audit, Transfer and Refund) Rules, 2016, as amended, the Company has not declared dividend for the financial year 2010-11 or any earlier or subsequent financial years.

14. Pursuant to Section 101 of the Companies Act, 2013 and rules made thereunder, the companies are allowed to send notice of AGM to shareholders electronically. We thus, request you to kindly register/update your email IDs with your respective Depository Participant and in the case of physical holding of shares with the Company's Registrar and Share Transfer Agents or the Company and make this Green Initiative a success.

15. Pursuant to Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014 as amended, the Company is pleased to provide the facility to Members to exercise their right to vote on the Resolutions proposed to be passed at the AGM by electronic means on the platform being availed from the Central Depository Services (India) Ltd (CDSL). The Members, whose names appear in the Register of Members/List of Beneficial Owners as on Friday, 21st December 2018, i.e. the cut-off date for the purpose of voting at AGM, are entitled to vote on the Resolutions set forth in this Notice. The Members may cast their votes on electronic voting system from a place other than the venue of the AGM ('Remote e-Voting').

16 Members desiring to vote through Remote e-Voting are requested to refer to the detailed procedure given herein below:

PROCEDURE FOR REMOTE E-VOTING

i. The Remote e-Voting period begins on Friday, 21st December 2018 at 9.00 a.m. and ends on Sunday 23rd December 2018 at 5.00 p.m. During this period, shareholders holding shares either in physical form or in dematerialized form, as on the cut-off date (i.e. Monday, 17th December 2018), may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting after 5.00 p.m. on 23rd December 2018.

ii. Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.

iii. Shareholders should log on to the e-voting website www.evotingindia.com

iv. Click on 'SHAREHOLDERS'

v. Now Enter your User ID

a. For CDSL: 16 digits beneficiary ID;

b. For NSDL: 8 Character DP ID followed by 8 digits Client ID;

c. Members holding shares in physical form should enter Folio Number registered with the Company.

vi. Next enter the Image Verification as displayed and Click on 'LOGIN'.

vii. If you are holding shares in demat form and had logged on to www.evotingindia.com and voted on an earlier voting of any company, then your existing password is to be used.

viii. If you are a first time user follow the steps given below:

For Members holding shares in Demat Form and Physical Form	
PAN	Enter your 10 digit alpha-numeric PAN issued by Income Tax Department (Applicable for both demat shareholders as well as physical shareholders). Members who have not updated their PAN with the Company/Depository Participant are requested to use the sequence number which is printed on the address slip/provided in the email sent to you.
Dividend Bank Details **OR** Date of Birth (DOB)	Enter the Dividend Bank Details or Date of Birth (in dd/mm/yyyy format) as recorded in your demat account or in the Company's records in order to login. If both the details are not recorded with the depository or Company, please enter the member id / folio number in the Dividend Bank Details field as mentioned in instruction (v).

ix. After entering these details appropriately, click on "SUBMIT" tab.

x. Members holding shares in physical form will then directly reach the 'Company Selection Screen'. However, Members holding shares in demat form will now reach 'Password Creation' menu wherein they are required to mandatorily enter their login password in the new password field. Kindly note that this password is to be also used by the demat holders for voting for resolutions of any other Company on which they are eligible to vote, provided that any such company opts for e-voting through CDSL platform. It is strongly recommended not to share your password with any other person and take utmost care to keep your password confidential.

xi. For Members holding shares in physical form, the details can be used only for e-voting on the resolutions contained in this Notice.

xii. Click on the EVSN for Edayar Zinc Limited on which you choose to vote.

xiii. On the voting page, you will see "RESOLUTION DESCRIPTION" against which the option "YES / NO" will be available for voting. Select the option 'YES' or 'NO' as desired.

The option 'YES' implies that you assent to the Resolution and option 'NO' implies that you dissent to the Resolution.

xiv. Click on the "RESOLUTIONS FILE LINK" if you wish to view the entire Resolution details.

xv. After selecting the resolution you have decided to vote on, click "SUBMIT". A confirmation box will be displayed. If you wish to confirm your vote, click "OK", else to change your vote, click "CANCEL" and accordingly modify your vote.

xvi. Once you "CONFIRM" your vote on the Resolution, you will not be allowed to modify your vote.

xvii. You can also take print- out of the voting done by you by clicking "Click here to print" option on the voting page.

xviii. If Demat account holder has forgotten the password then Enter the User ID and the Image Verification Code and Click "FORGOT PASSWORD"& Enter the details as prompted by the system.

xix. Note for Non–Individual Shareholders and Custodians:

- Non-Individual shareholders (i.e. other than Individuals, HUF, NRI etc.) and Custodian are required to log on to www.evotingindia.comandregisterthemselvesasCorporate.
- A scanned copy of the Registration Form bearing the stamp and sign of the entity should be emailed to helpdesk.evoting@cdslindia.com.
- After receiving the login details, a Compliance User ID should be created using the Admin login and password. The Compliance User would be able to link the account(s) for which they wish to vote on.
- The list of accounts should be mailed to helpdesk.evoting@cdslindia.com and on approval of the accounts they would be able to cast their vote.
- A scanned copy of the Board Resolution and Power of Attorney (POA) which they have issued in favour of the Custodian, if any, should be uploaded in PDF format in the system for the Scrutinizer to verify the same.

  In case you have any queries or issues regarding e-voting, you may refer the Frequently Asked Questions ("FAQs") and e-Voting Manual available at www.evotingindia.com under Help Section or write an email to helpdesk.evoting@cdslindia.com.

17. In addition to Remote e-Voting, the facility for voting, either through electronic voting system or ballot/polling paper, shall also be made available at the venue of AGM and the Members attending the AGM who have not cast their vote through remote e-voting shall be eligible to vote at the AGM.

18. The route map to the venue of AGM is provided in this Annual Report for easy location.

19. The Company has appointed Mr. Mohammad Aabid (Membership No. F6579, Certificate of Practice No. 6625) M/s Aabid & Co., Practicing Company Secretary, to act as the Scrutinizer, to scrutinize the entire voting process (including Remote e-Voting) in a fair and transparent manner.

20. Any member, who has voted by Remote e-Voting on the Resolutions contained in this Notice prior to the AGM may also attend the meeting but shall not be entitled to vote at the AGM.

21. Any person who is not a Member as on the cut-off date i.e. 17th Decemebr 2018, shall treat this Notice for information purpose only.

22. Any person, who acquires shares of the Company and becomes a Member of the Company after dispatch of Notice and holding shares as of the cut-off date i.e. 17th Decemebr 2018, may obtain the Annual Report by sending a request at megha.bandi@binani.net.

23. The Scrutinizer, immediately after the conclusion of voting at the AGM, will count the votes cast at the AGM, thereafter unblock the votes cast through Remote e-Voting in the presence of at least two witnesses not in the employment of the Company and make, not later than three days of conclusion of the AGM, a consolidated Scrutinizer's Report of the total votes cast in favour of and against, if any, the Resolutions, to the Chairman or any other Director authorised by the Board who shall countersign the same. The Chairman or any other Director authorised by the Board will declare the result of the remote e-voting and voting at the AGM forthwith.

24. The results declared along with the Scrutinizer's Report will be placed on the website of CDSL viz. www.evotingindia.com immediately after the result is declared. The same will also be displayed at the Notice Board of the Company at the registered office and the corporate office of the Company.

The Company has applied for extension of time till December 31, 2018 for holding Annual General Meeting to Government of India, Ministry of Corporate Affairs Office of the Registrar of Companies, West Bengal.

In the opinion of Board, Mrs. Kirti Mishra fulfils the conditions specified in the Act and the rules made thereunder and she is independent of the management.

In accordance with the provisions of Section 161 of the Act read with Article 92 of the Articles of Association, Mrs. Kirti Mishra will hold the office upto the date of this Annual General Meeting. In terms of the provisions of Section 149 of the Act and the Rules framed thereunder, Mrs. Kirti Mishra is eligible to be appointed as an Independent Director.

In view of the same, it has been proposed to appoint her as an Independent Director of the Company, who shall not be liable to retire by rotation. The Company has received a notice under Section 160 of the Act along with requisite deposit proposing the candidature of Mrs. Kirti Mishra as an Independent Director of the Company for a term upto the date of 20th AGM to be held in the year 2020.

Mrs. Kirti Mishra aged about 71 years, has done Bachelor of Arts with Honours in English & Bachelor of Law. She has a very rich experience of Thirty Three years in the field of Legal Practice at Supreme Court of India, Her appointment as Director of the Company would be beneficial to the Company. Mrs. Kirti Mishra is also worked as a legal consultant for certain companies in mining, manufacturing and financial service sectors. She has given declaration of independence in terms of Section 149(7) of the Companies Act, 2013.

A copy of the draft letter of appointment of Mrs Kirti Mishra setting out the terms and conditions is available for inspection by the Members at the Registered Office of the Company between 11.00 a.m. to 1.00 p.m. on all working days up to the date of the Annual General Meeting. The same will also be kept for inspection at the venue of the meeting.

The Board recommends her appointment as Independent Director of the Company for a term upto the date of 20th AGM to be held in the year 2020 and as such recommends passing of resolution set-out under Item no. 5 of this notice as Ordinary Resolution.

None of the Directors / Key Managerial Personnel of the Company or their relatives, except Mrs Kirti Mishra, is concerned or interested, financially or otherwise, in the Resolution.

Item No.6

In terms of Section 149 of the Companies Act, 2013 (Act) read with Rules 4 to 5 of the Companies (Appointment and Qualification of Directors) Rules, 2014, the Company was required to appoint Independent Director.

Accordingly, the Board of Directors appointed Mr. Rajeev Puri as Additional Director of the Company with effect from 20th January, 2018. The brief profile of Mr. Rajeev Puri is enclosed to this notice for perusal of members. In the opinion of Board, Mr. Rajeev Puri fulfils the conditions specified in the Act and the rules made thereunder and he is independent of the management.

In accordance with the provisions of Section 161 of the Act read with Article 92 of the Articles of Association, Mr. Rajeev Puri will hold the office upto the date of this Annual General Meeting. In view of the same, it has been proposed to appoint him as an Independent Director of the Company, who shall not be liable to retire by rotation. The Company has received a notice under Section 160 of the Act along with requisite deposit proposing his candidature for being Independent Director of the Company for a term upto the date of 20th AGM to be held in the year 2020. In terms of the provisions of Section 149 of the Act and the Rules framed thereunder, Mr. Rajeev Puri is eligible to be appointed as an Independent Director.

Mr. Rajeev Puri aged about 52 yrs, holds B.Com & MBA, FCA, IP. He has more than 30 years of experience in Finance & Banking, Taxation and corporate structuring. The Board feels that with his diverse knowledge and expertise, his appointment as Director of the Company would be beneficial to the Company.

Mr. Rajeev Puri has given declaration of independence in terms of Section 149(7) of the Companies Act, 2013.

All the relevant documents pertaining to appointment of Mr. Rajeev Puri will be available for inspection by the Members at the registered office of the Company between 11.00 a.m. to 1.00 p.m. on all working days up to the date of the Annual General Meeting. The same will also be kept for inspection at the venue of the meeting.

The Board recommends his appointment as Independent Director of the Company for a term upto the date of 20th AGM to be held in the year 2020 and as such recommends passing of resolution set-out under Item no 6 of this notice as Ordinary Resolution.

None of the Directors / Key Managerial Personnel of the Company or their relatives, except Mr. Rajeev Puri, is concerned or interested, financially or otherwise, in the Resolution.

By Order of the Board of Directors

The Company does not have any Associate Company within the meaning of Section 2(6) of the Act.

The financial statements in respect of RBG will be kept open for inspection by the Members at the Registered Office of the Company till the ensuing Annual General Meeting. Members, interested in obtaining a copy of the audited annual financial statements of RBG may write at the Corporate Office of the Company, who shall provide a copy of the same upon receipt of such request.

Directors' Responsibility Statements

Pursuant to the provisions of clause (c) of sub section (3) and sub-section (5) of Section 134 of the Act, the Board of Directors of the Company hereby state and confirm that:-

(a) in the preparation of the annual accounts, the applicable accounting standards have been followed along with proper explanation relating to material departures;

(b) the Directors had selected such accounting policies and applied them consistently and made judgments and estimates that are reasonable and prudent so as to give a true and fair view of the state of affairs of the Company at the end of the financial year 2017-18 and of the profit and loss of the Company for the Financial year ended 31st March, 2018;

(c) the Directors have taken proper and sufficient care for the maintenance of adequate accounting records in accordance with the provisions of the Companies Act, 2013 for safeguarding the assets of the Company and for preventing and detecting fraud and other irregularities;

(d) the Directors have prepared the annual accounts on a going concern basis;

(e) the Directors have laid down internal financial controls and the same have been followed by the company and that such internal financial controls are adequate and were operating effectively; and

(f) the Directors have devised proper systems to ensure compliance with the provisions of all applicable laws and that such systems were adequate and operating effectively.

Corporate Social Responsibility

The Braj Binani Group, through its operating Indian Subsidiaries, undertakes the activities on an on-going basis for upliftment of the weaker sections and welfare of the society.

The mandatory provisions of Section 135 of the Act, and Rules made thereunder, with respect to Corporate Social Responsibility, are not applicable to your Company. The Group is socially conscious about its participative role in development of society. The Group continues to undertake CSR activities in places where the plants of group companies are situated and the same are well appreciated by the local community.

Board Evaluation

The annual evaluation of Directors, the Board and also the Committees was conducted without the participation of the Director being evaluated on the basis of certain criteria recommended by the Nomination and Remuneration Committee and adopted by the Board. As there was only one Independent Director, meeting of Independent Directors was held on 28th May, 2018 as per the terms of requirement of Schedule IV of the Act.

Directors

Independent Director

The Board appointed Mrs Kirti Mishra as Additional Director (Independent) on 05th February, 2018. In terms of Section 161 of the Act read with Article 92 of the Articles of Association, she will hold office upto the date of next Annual General Meeting (AGM). The Company has received notice under Section 160 of the Act alongwith requisite deposit proposing her appointment as Independent Director for a tenure upto the conclusion of 20th AGM to be held in the year 2020.

The Board appointed Mr Rajeev Puri as Additional Director (Independent) on 20th February 2018. In terms of Section 161 of the Act read with Article 92 of the Articles of Association, he will hold office upto the date of next AGM. The Company has received notice under Section 160 of the Act alongwith requisite deposit proposing his appointment as Independent Director for a tenure upto the conclusion of 20th AGM to be held in the year 2020.

Mrs Kirti Mishra and Mr Rajeev Puri have given a declaration under Section 149(7) confirming their independence in terms of Section 149(6) of the Companies Act, 2013.

The Board recommends their appointment as Independent Director in the ensuing AGM. The profiles of the Independent Directors proposed to be appointed in the ensuing AGM is given in the AGM notice forming part of the Annual Report.

Mr. R.S. Joshi, Executive, Managing Director of the Company has resigned on 24th January, 2018.

Ms. Aparna Sahay, Non Executive Additional Director (Independent) of the Company has resigned on 13th January, 2018.

Mr. Mahesh Gupta, Non Executive Additional Director (Independent) of the Company has resigned on 23rd February, 2018.

Executive Directors

Mr. Rakesh Kumar Rawal who was appointed as Additional Director of the Company for a term with effect from 29th December, 2017 till 31st March 2019. The Board recommends for his appointment as Whole Time Director in the ensuing AGM. The profile of Mr Rakesh Kumar Rawal is provided in the AGM notice forming part of Annual Report.

Remuneration to Directors

The Independent and Non-Executive Directors are paid sitting fees for attending the Board and Committee meetings.

Mr. Rakesh Kumar Rawal did not receive any remuneration from the Company during the year under review as per the terms of his appointment.

Audit Committee

Audit Committee comprised of the following Members as on 31st March, 2018:

1. Mrs Kirti Mishra - Chairperson
2. Mr Rakesh Kumar Rawal - Member
3. Mr Rajeev Puri - Member

The Audit Committee meetings are convened generally once a quarter and also as and when considered necessary. During the year under review, the Audit Committee met 4 times during the year under review. There were no recommendations made by the Audit Committee which were not accepted by the Board.

Nomination and Remuneration Policy

Pursuant to Section 178(4) of the Act, the Board has adopted a Policy on nomination and remuneration of Directors and Key Managerial Personnel and Senior Managerial Personnel of the Company, as recommended by the Nomination and Remuneration Committee. The said Policy is enclosed as Annexure - A and forms part of this Report.

Auditors

M/s Udeshi Shukla & Associates, Chartered Accountants, Mumbai (Firm Registration Number – 114886W) were appointed at the 15th AGM held in the year 2015 for a term upto 20th AGM to be held in the year 2020. The Audit Committee at its meeting held on 28th May 2018 reviewed the performance and independence of Statutory Auditors and after such review, it has recommended for ratification of their appointment for the year 2018-19 at the 18th AGM.

The Auditors have given the declaration that they continue to be eligible in terms of Section 139 read with Section 141 of the Companies Act, 2013.

The Board recommends for ratification of the appointment of M/s.Udeshi Shukla & Associates, as the Statutory Auditors of the Company for financial year 2018-19.

Auditors' Observations

The Auditors, in their report have made observations under the head "Emphasis of Matters" with respect to

a. The proceedings initiated by Banks under Section 13(4) of the Securitisation and Reconstruction of Financial Assets and Enforcement of Security Interest Act, 2002 (SARFAESI Act),where in bankers have taken symbolic possession of the assets mortgaged with them and have issued a notice for auction of the Property "Land and Building and Plant and Machinery situated at Edayar Zinc Ltd in an extent of 95.34 acres in Binanipuram, kadungaloor, Village Parur Taluka, Ernakulam District admeasuring area 117483 sq. Meters mortgaged to consortium as collateral security and in the absence of any evident plan to pay back, we are of the opinion that the going concern assumption of the company is not true.

b. There is no impairment in the value of the fixed assets to be recognized in the accounts at this stage, within the meaning of Indian Accounting Standard (Ind AS) 36– Impairment of Assets, notified by the Companies Accounting Standards Rules 2006, which is however dependant on various uncertainties over its ability to continue as a going concern, as stated therein.

c. Non-Provision for interest: interest of ₹ 40.23 Crores (P.Y. ₹ 40.92 Crores) for the financial year 2017-18 has not been provided in the financial statements as the Company's accounts have been declared as NPA by it's bankers.

d. Electricity charges of ₹ 5056.36 lakhs (P.Y. ₹ 894.98 lakhs) till 31/03/2018 has not been provided as a liability in the financial statements.

e. The bankers have filed the case with High Court of Bombay to declare the directors of the Company as willful defaulter, as informed to us the matter is sub-judice.

Secretarial Auditors

Pursuant to provisions of Section 204 of the Companies Act, 2013 read with Rule 9 of the Companies (appointment and Remuneration of Managerial Personnel) Rules, 2014, the Company had engaged M/s Aabid & Co, Practising Company Secretary, Mumbai, to conduct the secretarial audit in the Company for the financial year 2017-18.

The Secretarial Audit Report (In Form MR-3) is attached as Annexure - C to this Report.

The Secretarial Auditors have commented on the requirement of Section 203(1)(iii) read with rule 8 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014 Company is required to appoint Chief Financial Officer and Company Secretary which is not compiled during the reporting period.

As the Company's operations have been closed and bank accounts are attached by Banks under SARFAESI Act, appointment of a CFO & CS at this time would require considerable amount of financial resources.

Cost Auditors

As the turnover of the Company is less than the threshold limit as per Section 148 of the Companies Act 2013 read alongwith the said rules, there is no requirement for appointment of Cost Auditor for the financial year 2018-19.

Internal Financial Controls

In view of the suspension of business operation and constraint of resources, the processes and procedures are curtailed to ensure minimal administrative expenses. The Company adopted policies and procedures to extent required to ensure safeguarding of its assets, prevention of frauds, completeness of accounting records and timely preparation of reliable financial information.

The internal financial controls are reviewed periodically and its weakness found, if any, is reported to Audit Committee from time to time.

Risk Management

The Holding Company had carried out a risk assessment exercise, which was facilitated by a well known firm of Consultants when certain risks were identified for the Company. A mitigation plan was also drawn up. The Audit Committee reviews risks from time to time and instructs the mitigation steps, if any, required to eliminate/minimise the risk/s on on-going basis. The Audit Committee has additional oversight in the areas of financial risks and controls.

As per section 138 and other applicable rules (including any statutory modification) of the Companies Act 2013 the Company has appointed M/s Ayaz Parekh & Associates Chartered Accountants as Internal Auditors of the Company for the financial year 2018-19.

Vigil Mechanism

The Board has adopted a Whistle Blower Policy which provides a platform to report unethical behaviour, actual or suspected fraud, concerns and grievances regarding violation of Code of Conduct of the Company.

The policy facilitates direct reporting of concerns to the Chairman of the Audit Committee. During the year, the Company did not receive any complaints.

Policy against Sexual Harassment at workplace

The Company has adopted a policy against Sexual Harassment and constituted Internal Compliant Committee in terms of Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013. During the year under review, the Company did not receive any complaint.

Other disclosures as per the provisions of the Companies Act, 2013

- An extract of the annual return in Form MGT-9 as on 31st March, 2018, is enclosed as Annexure D and forms part of this Report.
- Since the operations at plant were shut during the year under review, the Company has nothing specific to report relating to conservation of energy, Technology Absorption.
- The details of Foreign Exchange Earnings and Outgo for the year 2017-18 are as below:

(₹ in lacs)

Particulars	**2017-18**	2016-17
Foreign exchange earned	Nil	Nil
Foreign Exchange outgo	Nil	Nil

- In terms of the provisions of Section 197(12) of the Companies Act, 2013 read with Rules 5(2) and 5(3) of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014, the Company did not have any employee during the year under review who was in receipt of remuneration above the threshold limit specified therein and hence no details are required to be disclosed.
- The Company has not issued any equity shares with differential rights, sweat equity shares or granted any ESOP to its employees. Therefore, no disclosure is required to be given in respect thereof.

The Directors wish to express their appreciation for the continued co-operation of the Central and State Governments, bankers, financial institutions, customers, dealers, suppliers and Shareholders. The Directors also wish to thank all the employees for their contribution, support and continued co-operation throughout the year.

ANNEXURE-C

NOMINATION AND REMUNERATION POLICY

1. BACKGROUND

The Board of Directors ("Board") of Edayar Zinc Limited ("the Company") had constituted the Nomination and Remuneration Committee (the Committee) in terms of the provisions of Section 178 of the Companies Act, 2013 (the Act). Pursuant to the said Section, the Committee shall formulate the criteria for determining qualifications, positive attributes and independence of a Director and recommend to the Board of Directors a Policy relating to the remuneration for the Directors, Key Managerial Personnel and other employees.

2. OBJECTIVES

The primary objective of the Policy is to provide a framework and set standards for the nomination, remuneration and evaluation of the Directors, Key Managerial Personnel and Officials in the cadre of the senior management. The Company aims to achieve a balance of merit, experience and skills amongst its Directors, Key Managerial Personnel and Senior Management. The Key Objectives of the Committee would be:

2.1 To guide the Board in relation to appointment and removal of Directors, Key Managerial Personnel and Senior Management Personnel;

2.2 To evaluate the performance of the members of the Board and provide necessary report to the Board for further evaluation by the Board;

2.3 To recommend to the Board on Remuneration payable to the Directors, Key Managerial Personnel and Senior Management Personnel;

2.4 To determine remuneration commensurate with the Company's size and financial position and trends with respect to the adopted by the peers in the industry;

2.5 To formulate a Policy which will ensure long term sustainability and retention of talented managerial personnel.

2.6 To develop a succession plan for the Board and to regularly review thereof.

3. DEFINITIONS

3.1 **Act** means the Companies Act, 2013 and Rules framed thereunder, as amended from time to time.

3.2 **Board** means Board of Directors of the Company.

3.3 **Directors** mean Directors of the Company.

3.4 **Key Managerial Personnel ("KMP")** means

3.4.1 Chief Executive Officer or the Managing Director or the Manager or in their absence a Whole time Director;

3.4.2 Company Secretary;

3.4.3 Chief Financial Officer; and

3.4.4 Such other officer as may be prescribed under the Act.

3.5 **Senior Management Personnel ("SMP")** means personnel of the Company who are members of Company's core management team. This would also include all members of management one level below the Executive Directors including all functional heads.

4. ROLE OF COMMITTEE

4.1 **Terms of Reference**

4.1.1. To identify persons who are competent to become Directors and who may be appointed as Key Managerial Personnel and Senior Management Personnel in accordance with the criteria laid down, and recommend to the Board their appointment and removal.

4.1.2 To formulate the criteria for determining qualifications, positive attributes and independence of a Director, and recommend to the Board the policy, relating to the remuneration of the Directors, Key Managerial Personnel and other employees. The Committee shall ensure that the level and composition of remuneration is reasonable and sufficient to attract, retain and motivate directors of the quality required to run the Company successfully.

4.1.3 To recommend/review remuneration of the Managing Director(s) and Whole-time Director(s) based on their performance.

4.1.4 To formulate criteria for evaluation of Independent Directors and the Board;

4.1.5 To carry out evaluation of every director's performance.

4.1.6 To carry out any other function, as may be mandated by the Board from time to time and / or enforced by any statutory notification, amendment or modification, as may be applicable.

5. COMPOSITION AND FUNCTIONING OF THE COMMITTEE

5.1 **Composition**

5.1.1 The Committee shall be comprised of a minimum of three Non-Executive Directors, majority of them being Independent Directors.

5.1.2 Any two members of the Committee shall constitute a quorum for the Committee meetings.

5.1.3 Term of the Committee shall be continued unless terminated by the Board of Directors

5.2 **Chairperson of the Committee**

5.2.1 Chairperson of the Committee shall be an Independent Director.

5.2.2 Chairperson of the Company may be appointed as a member of the Committee but shall not be a Chairman of the Committee.

5.2.3 In the absence of the Chairperson, the Members of the Committee present at the meeting, shall choose one amongst them to act as Chairperson.

5.3 **Frequency of Meetings:**

5.3.1 The meeting of the Committee shall be held at such regular intervals, as may be considered necessary.

5.3.2 The Committee may invite such executives, as it considers appropriate, to be present at the meetings of the Committee.

5.4 **Secretary**

The Company secretary of the Company shall act as Secretary of the Committee.

5.5 **Voting**

5.5.1 Matters arising at Committee meetings, shall be decided by a majority of votes of Members present and any such decision shall for all purposes be deemed a decision of the Committee.

5.5.2 In the case of equality of votes, the Chairman of the meeting will have a casting vote.

5.6 **Interested Committee Member not to participate in the meeting.**

A Member of the Committee is not entitled to be present when his/her remuneration is discussed at such meeting or when his/her performance is being evaluated.

6. POLICY FOR APPOINTMENT AND REMOVAL OF DIRECTOR, KMP AND SENIOR MANAGEMENT PERSONNEL.

6.1 **Appointment criteria and qualifications**

6.1.1. The Committee shall identity and ascertain the integrity, qualification, expertise and experience of the person for appointment as Director, KMP or SMP and recommend to the Board his/her appointment.

6.1.2 A person should possess adequate qualification, expertise and experience for the position he/she is considered for appointment. The Committee has discretion to decide whether qualification, expertise and experience possessed by a person is sufficient/satisfactory for the concerned position.

6.1.3 The Company shall not appoint or continue the employment of any person as Managing Director/Whole-time Director who has attained the age of seventy years. Provided that the term of the person holding this position may be extended beyond the age of seventy years with the approval of shareholders by passing a special resolution.

6.1.4 Appointment of Independent Directors shall be subject compliance of provisions of section 149 of the Companies Act, 2013, read with schedule IV and Rules made thereunder.

6.2 **Term /Tenure**

6.2.1. **Managing Director / Whole-time Director:**

The Company shall appoint or re-appoint any person as its Managing Director or Executive Director for a term not exceeding five years at a time . No re-appointment shall be made earlier than one year before the expiry of term.

6.2.2 **Independent Director**

- An Independent Director shall hold officer for a term up to five consecutive years on the Board of the Company and will be eligible for re-appointment on the Company passing of a Special Resolution by the Company and disclosure of such appointment in the Board's Report to the Shareholders.

- No Independent Director shall hold office for more than two consecutive terms, but such Independent Director shall be eligible for appointment after expiry of three years of ceasing to become an Independent Director. Provided that an Independent Director shall not, during the said period of three years, be appointed in or be associated with the Company in any other capacity, either directly or indirectly.

6.3 **Evaluation**

The Committee shall carry out evaluation of performance of every Director, KMP and SMP on yearly basis or at such frequent intervals, as its Members may decide.

6.4 **Removal**

In case any Director or KMP incurs any disqualification as provided under the Actor Rules made thereunder, the Committee may recommend, to the Board with reasons recorded in writing, removal of such Director or KMP subject however, to the provisions and compliance of the said Act, rules and regulations.

6.5 **Retirement**

The Director, KMP and Senior Management Personnel shall retire as per the applicable provisions of the Act and the prevailing policy of the Company. As per the current Policy, a KMP or SMP (excluding the Directors) shall be liable to retire upon completion of 60 years of age. The Board if it considers to be in the Company's interest, shall have the discretion to retain KMP and SMP in the same position / remuneration or otherwise even after attaining the retirement age.

6.6 Policy relating to the Remuneration for the Managing Directors, Whole-time Director, KMP and SMP.

6.7 **Remuneration to the KMP and SMP:**

6.7.1. **Fixed pay:**

The KMPs and SMPs shall be eligible for a monthly remuneration, as may be approved by the Board on the recommendation of the Committee. The remuneration shall include salary, allowances, perquisites and Company's contribution to Provident Fund, as the case may be, in accordance with Company's Policy as amended from time to time and approved by the Shareholders and Central Government, wherever required.

6.7.2 **Minimum Remuneration:**

If, in any financial year, the Company has no profits or its profits are inadequate, the Company shall pay remuneration as determined above, to its Managing Director/ Whole-time Director subject to the approval of the Central Government, wherever necessary.

6.7.3 **Provisions for excess remuneration:**

If any Managing / Whole-time Director draws or receives, directly or indirectly by way of remuneration any such sums in excess of the limits prescribed under the Act or without the prior sanction of the Central Government, where required, he/she shall refund such sums to the Company and until such sum is refunded, hold the same in trust for the Company.

6.8 Remuneration to Non-Executive/ Independent Director.

6.8.1 **Remuneration:**

Non-Executive / Independent Directors shall not be entitled to any remuneration.

6.8.2 **Sitting Fees:**

The Non-Executive / Independent Directors will be paid Sitting Fees for attending meetings of Board or Committee thereof. Provided that the amount of such fees shall not exceed Rupees One Lac per meeting of the Board or Committee or such amount as may be prescribed by the Central Government from time to time.

6.9 **General**

6.9.1 The remuneration to the KMPs and SMPs will be determined by the Committee and recommended to the Board for approval. The remuneration shall be subject to the approval of the Shareholders of the Company and Central Government, wherever required.

6.9.2 Upon evaluation of the performance, Annual Increments in the remuneration may be recommended by the Committee to the Board which shall be within the limits approved by the Shareholders, wherever applicable.

6.9.3 Where any insurance is taken by the Company for its Directors, KMPs and SMPs for protecting them against any liability, the premium paid on such insurance shall not be treated as part of the remuneration payable to such persons. Provided that if such person is provided to be guilty, the premium paid on such insurance shall be treated as part of the remuneration.

ANNEXURE-D

FORM NO. MR-3
SECRETARIAL AUDIT REPORT
FOR THE FINANCIAL YEAR ENDED ON 31st MARCH, 2018

[Pursuant to section 204(1) of the Companies Act, 2013 and rule No. 9 of the Companies (Appointment and Remuneration Personnel)Rules, 2014]

To,
The Members,
EDAYAR ZINC LIMITED,

We have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **EDAYAR ZINC LIMITED** (hereinafter called the Company). Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on our verifications of the **EDAYAR ZINC LIMITED** Books, Papers, Minute Books, Forms and Returns filed and other records maintained by the Company as given in **Annexure-I** and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of Secretarial Audit, We hereby report that in our opinion. The Company has, during the audit period covering the Financial Year ended on 31st March, 2018 complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter.

We have examined the books, papers, minute books, forms and returns filed and other records maintained by **EDAYAR ZINC LIMITED** ("the Company") for the Financial Year ended on 31st March, 2018 according to the provisions of:

(i) The Companies Act, 2013 (the Act) and the rules made thereunder;

(ii) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder;

(iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;

(iv) Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings;

(v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):-

a. The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;

b. The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;

c. The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009;

d. The Securities and Exchange Board of India (Employee Stock Option Scheme and Employee Stock Purchase Scheme) Guidelines, 1999;

e. The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008;

f. The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client;

g. The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009;

h. The Securities and Exchange Board of India (Buyback of Securities) Regulations, 1998;

Other industry specific laws as specified in Annexure II

Note: From the above point number (ii), (iii), and (v) does not apply to the Company during the period under review.

We have also examined compliance with the applicable clauses of the following:

(i) Secretarial Standards issued by The Institute of Company Secretaries of India.

(ii) Since the Company is not listed on any Exchange hence no Compliances of the Listing Agreement are applicable to the Company.

During the period of audit of the Company there are no specific events/actions occurred having a major bearing on the Company's affairs in pursuance of the above referred laws, rules, regulations, guidelines, standards, etc. mentioned above subject to following observations.

(i) As per requirement of Section 203(1)(iii) read with rule 8 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014 Company is required to appoint Chief Financial Officer which is not complied during the reporting period.

We further report that

The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.

Adequate notice was given to all Directors to schedule the Board

Meetings, agenda and detailed notes on agenda were sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

Majority decision is carried through while the dissenting members' views are captured and recorded as part of the minutes.

We further report that there are adequate systems and processes in the company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

The Company has given all the details of specific events / actions having a major bearing on the company's affairs in pursuance of the above referred laws, rules, regulations, guidelines, standards, etc referred to above.

We further report that during the audit period:

(i) As there is no production the Company has applied to the Cost Audit Branch, Ministry of Corporate Affairs seeking exemption from filing cost Audit Report in e-form CRA-4 for Financial Year 2015-16.

INDEPENDENT AUDITORS' REPORT

To
The Members of Edayar Zinc Limited
Kolkata

Report on the Standalone Ind AS Financial Statements

We have audited the accompanying standalone Ind AS financial statements of Edayar Zinc Limited ("the Company"), which comprise the Balance Sheet as at 31st March, 2018, the Statement of Profit and Loss ((including Other Comprehensive Income), the Cash Flow Statement and the Statement of Changes in Equity for the year the ended, and a summary of the significant accounting policies and other explanatory information.

Management's Responsibility for the Standalone Ind AS Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone Ind AS financial statements that give a true and fair view of the state of affairs (financial position), profit or loss (financial performance including other comprehensive income), cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, Including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these standalone Ind AS financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.

We conducted our audit of the standalone Ind AS financial statements in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the standalone Ind AS financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the standalone Ind AS financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone Ind AS financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the standalone Ind AS financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on whether the Company has in place an adequate internal financial control system over financial reporting and the operating effectiveness of such controls. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by Company's Directors, as well as evaluating the overall presentation of the standalone Ind AS financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone Ind AS financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us read together with the emphasis of matters given below, the aforesaid standalone Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including the Ind AS, of the financial position of the Company as at 31 March, 2018, and its financial performance including other comprehensive income, its cash flows and the changes in equity for the year ended on that date.

Emphasis of Matters

We draw attention to the following matters in the Notes to the financial statements:

a) Note No. 43 of the financial statements stating that the financial statements have been prepared on the going concern basis as per the opinion of the Management, however the flow of events and current status of the proceedings initiated by Banks under Section 13(4) of the Securitisation and Reconstruction of Financial Assets and Enforcement of Security Interest Act, 2002 (SARFAESI Act),where in bankers have taken symbolic possession of the assets mortgaged with them and have issued a notice for auction of the Property "Land and Building and Plant and Machinery situated at Edayar Zinc Ltd in an extent of 95.34 acres in Binanipuram, kadungaloor, Village Parur Taluka, Ernakulam District admeasuring area 117483 sq. Meters mortgaged to consortium as collateral security and in the absence of any evident plan to pay back, we are of the opinion that the going concern assumption of the company is not true.

b) Note No.44 of the financial statements stating that in the opinion of the management, there is no impairment in the value of the fixed assets to be recognized in the accounts at this stage, within the meaning of Indian Accounting Standard (Ind AS) 36– Impairment of Assets, notified by the Companies Accounting Standards Rules 2006, which is however dependant on various uncertainties over its ability to continue as a going concern, as stated therein.

c) Non-Provision for interest: Note No. 16(a) of the Financial Statements stating that interest of ₹ 40.23 Crores (P.Y. ₹ 40.92 Crores) for the financial year 2017-18 has not been provided in the financial statements as the Company's accounts have been declared as NPA by it's bankers.

d) Electricity charges of ₹ 5056.36 lakhs (P.Y. ₹ 894.98 lakhs) till 31/03/2018 has not been provided as a liability in the financial statements.

e) As per information and explanation provided to us, the bankers have filed the case with High Court of Bombay to declare the directors of the Company as willful defaulter, as informed to us the matter is sub-judice.

Our report is not qualified in respect of these matters.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the Annexure A, a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

2. As required by Section 143 (3) of the Act, we report that:

   (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

   (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.

   (c) The Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.

   (d) In our opinion, the aforesaid standalone Ind AS financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with relevant rule issued thereunder.

   (e) In our opinion, the matters described in sub paragraphs (a) to (e), under the Emphasis of Matters paragraph above regarding the ability of the Company to continue as a going concern and regarding the impairment in the value of the fixed assets, regarding the proceedings initiated by Banks under SARFAESI Act and pendency of the closure petition, may have an adverse effect on the assumption of the management to continue as a going concern.

   (f) On the basis of the written representations received from the directors as on 31st March, 2018 and taken on record by the Board of Directors, none of the director is disqualified as on 31st March, 2018 from being appointed as a director in terms of Section 164 (2) of the Act.

   (g) We have been informed that the company has discontinued its operations since 2014 and in absence of any activity and manpower; no internal financial control policies have been separately framed. In absence of any such defined policies we cannot comment on the effectiveness of the internal financial control.

   (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us :

      i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements – Refer Note 40.1, 40.2, 43 and 45 in the standalone Ind AS financial statements.

      ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.

      iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

Annexure A to the Auditor's Report

1. (a) The Company has maintained proper records showing full particulars including quantitative details and situation of fixed assets.

   (b) In the absence of any physical verification report of fixed assets we are not in position to comment on the frequency of verification of fixed assets.

   (c) According the information and explanation given to us and on the basis of our examination of the records of the company, the title deeds of all immovable properties except for freehold land of Rs 41.42 lakhs are held in the name of the company.

2. In the absence of any physical verification report of Inventory we are not in position to comment on reasonableness of the frequency of verification and the discrepancies noticed on physical verification of inventory as compared to book records.

3. (a) According to the information and explanations given to us and the records of the company examined by us, the company had placed inter-corporate deposits with its holding company, Binani Industries Limited. However it has not granted any loans during the year, to the parties covered in the register maintained under Section 189 of the Companies Act, 2013 except for the advance given to subsidiary company.

   (b) The principal amount of the inter-corporate deposit is repayable on demand. According to the information and explanations given to us no demands have been made by the Company for the repayment of the principal. The party has not been regular in remitting the amount of interest. We have been informed that interest is not being charged on the deposit and an amount of Rs 949.63 lakhs is outstanding towards interest as at 31st March, 2018.

   (c) According to the information and explanations given to us, the Company is taking reasonable steps for recovery of the overdue interest amounts in respect of the above inter-corporate deposits; we are not in a position to comment on the reasonableness of the steps taken by the company.

4. According to the information and explanations given to us and based on the legal opinion obtained by the company, we are of the opinion that the Company has complied with the provisions specified under section 185 and section 186 of the Act with respect to the loans and guarantee given by the company. No security has been given by the company. The company has not made any investment during the year.

5. The Company has not accepted any deposits from the public during the year and hence, the directives issued by the Reserve Bank of India and the provisions of Sections 73 to 76 or any other relevant provisions of the Act and the rules framed there under are not applicable.

6. The maintenance of cost records has been prescribed by the Central Government under Section 2(13) read with section 148 of the Act. We have been informed that as the plant has not operated during the year and as there is no production, the maintenance of cost records under section 148 of the Act may not be necessary.

7. (a) As per the information and explanations furnished to us and according to our examination of the records of the Company, the Company, subject to matter described in sub paragraph (d), under the paragraph 'Emphasis of Matters', has been generally regular in depositing undisputed statutory dues including Provident Fund, Employee's State Insurance, Income Tax, Sales Tax, Service Tax, Customs Duty, Excise Duty, Value Added Tax, and other statutory dues as applicable to the Company with the appropriate authorities during the year.

   There are no arrears of undisputed statutory dues outstanding at the last day of the financial year for a period of more than six months from the date on which they became payable except for import duties amounting to ₹ 2,944.68 lakhs which is not paid pending the final assessment thereof.

   (b) According to the information and explanations given to us and the records of the Company examined by us, the following disputed amounts of tax demanded (including those related to the erstwhile Zinc Division of the holding company Binani Industries Limited) have not been deposited with the authorities as at 31st March, 2018 as per the details given below.

NOTES TO THE STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2018

Note No.1

1. Company information

Edayar Zinc Limited ("the Company") is primarily engaged in the business of manufacturing of zinc and its by-products. The company is a public limited company domiciled in India and incorporated under the provisions of the Companies Act 1956. The registered office of the Company is located at 37/2, Chinar Park, New Town, Rajarhat Main Road, P.O. Hatiara, Kolkata, West Bengal - 700157.

The financial statements are approved for issue by the Company's board of directors on May 28, 2018.

2. Basis of Preparation of financial statements

Compliance with Indian Accounting Standards

The financial statements of the Company have been prepared in accordance with Indian Accounting Standards ("Ind AS") notified under the Companies (Indian Accounting Standards) Rules, 2015 and relevant provisions of the Companies Act, 2013 ("the Act"). The policies set out below have been consistently applied during the year presented.

These financial statements for the year ended 31 March 2018 are prepared in accordance with Ind AS.

Historical cost convention

The financial statements have been prepared under the historical cost convention, as modified by the following:

- Certain financial assets and financial liabilities (including derivative instruments) at fair value;
- Defined benefit plans – plan assets that are measured at fair value; and
- Land included in PPE are measured at Carrying Value

The financial statements are presented in INR, which is also the Company's functional currency and all amounts are rounded to the nearest lakhs, unless otherwise stated.

3. Summary of significant accounting policies

The financial statements have been prepared using the significant accounting policies and measurement basis summarised below. These were used throughout all periods presented in the financial statements, except where the Company has applied certain accounting policies and exemptions upon transition to Ind AS.

3.1 Current versus non-current classification

The Company presents assets and liabilities in the balance sheet based on current/ non-current classification. An asset is treated as current when it is:

- Expected to be realised or intended to be sold or consumed in normal operating cycle
- Held primarily for the purpose of trading
- Expected to be realised within twelve months after the reporting period, or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period

All other assets are classified as non-current.

A liability is current when:

- It is expected to be settled in normal operating cycle
- It is held primarily for the purpose of trading
- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period

The Company classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

The operating cycle is the time between the acquisition of assets for processing and their realisation in cash and cash equivalents. The company has identified twelve months as its operating cycle.

3.2 Foreign currency

Initial recognition

Foreign currency transactions are recorded in the functional currency, by applying to the foreign currency amount the exchange rate between the functional currency and the foreign currency at the date of the transaction.

Foreign currency transactions are recorded in the functional currency, by applying to the foreign currency amount the exchange rate between the functional currency and the foreign currency at the date of the transaction.

Conversion

Foreign currency monetary items are retranslated using the exchange rate prevailing at the reporting date. Non-monetary items, which are measured in terms of historical cost denominated in a foreign currency, are reported using the exchange rate at the date of the transaction and non-monetary items which are carried at fair value or other similar valuation denominated in a foreign currency are reported using the exchange rates that existed when the values were determined.

Exchange differences

Exchange differences arising on the settlement of monetary items or on reporting such monetary items of Company at rates different from those at which they were initially recorded during the year, or reported in previous financial statements, are recognised as income or as expenses in the year in which they arise. The gain or loss arising on translation of non-monetary items measured at cost is treated in line with the recognition of the gain or loss on the change in the value of the item (i.e., translation differences on items whose gain or loss is recognised in OCI or statement of profit & loss are also recognised in OCI or statement of profit & loss, respectively).

3.3 Fair Value Measurement

The Company discloses fair values of financial instruments measured at amortised cost in the financial statements.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability Or
- In the absence of a principal market, in the most advantageous market for the asset or liability

The Company must be able to access the principal or the most advantageous market at the measurement date.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs significant to the fair value measurement as a whole:

- Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

For assets and liabilities that are recognised in the financial statements on a recurring basis, the company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period. Valuation process and assumption used to measure the fair value of Assets and Liabilities is disclosed.

3.4 Revenue recognition

Revenue from sales of goods

Revenue is measured at the fair value of the consideration received or receivable, and represents amounts receivable for goods supplied, stated net of discounts, returns and value added taxes and inclusive of excise duty. The Company recognizes revenue when the amount of revenue can be reliably measured; when it is probable that future economic benefits will flow to the entity; and when specific criteria have been met, as described below.

Revenue from sale of goods is recognized when all the following conditions have been satisfied:

(a) The company has transferred to the buyer the significant risks and rewards of the ownership of the goods;

(b) The company retains neither continuing managerial involvement to the degree usually associated with ownership nor effective control over the goods sold;

(c) The amount of revenue can be measured reliably;

(d) It is probable that the economic benefits associated with the transaction will flow to the company; and

(e) The cost incurred or to be incurred in respect of the transaction can be measured reliably.

Other Revenue is recognized as follow:

Finance Income:

Finance income is recognised as it accrues using the Effective Interest Rate (EIR) method. EIR is the rate that exactly discounts the estimated future cash payment or receipts over the expected life of the financial instruments or a shorter period, where appropriate, to the net carrying amount of the financial asset or liability. Finance income is included in other income in the profit & Loss Account.

Interest Income

Interest income is recognised on a time proportion basis taking into account the amount outstanding and the rate application.

Royalty Income:

Royalties is recognized on an accrual basis in accordance with the substance of the relevant agreement.

Dividend

Dividends are recognised in profit or loss only when the right to receive payment is established, it is probable that the economic benefits associated with the dividend will flow to the Company, and the amount of the dividend can be measured reliably.

3.5 Borrowing costs

Borrowing costs directly attributable to the acquisition, construction or production of a qualifying asset are included in the cost of that asset. Qualifying asset are asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of the respective assets. All other borrowing costs are expensed in the statement of profit & loss in the period in which they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds. Borrowing costs is reduced to the extent of income arising from temporary parking of funds in fixed deposits and mutual funds.

The capitalisation of borrowing costs is suspended if there are prolonged periods when active development is interrupted. Interest expense for such period has been charged to statement of profit & loss account.

3.6 Property, Plant and Equipment (PPE)

Recognition and initial measurement

Freehold land is carried at cost. All other items of property, plant and equipment acquired or constructed are initially recognized at cost net of recoverable taxes, duties, trade discounts and rebates, less accumulated depreciation and impairment of loss, if any. The cost of Tangible Assets comprises of its purchase price, borrowing costs and adjustment arising for exchange rate variations attributable to the assets, including any cost directly attributable to bringing the assets to their working condition for their intended use. The present value of the initial estimated cost for the decommissioning of an asset after its use is included in the cost of the respective asset if the recognition criteria for a provision is met.

Expenditure incurred on assets which are not ready for their intended use comprising direct cost, related incidental expenses and attributable borrowing cost (net of revenues during constructions) are disclosed under Capital Work-in-Progress.

Spare parts are recognised when they meet the definition of property, plant and equipment, otherwise, such items are classified as inventory.

Subsequent measurement (depreciation and useful lives)

When significant parts of plant and equipment are required to be replaced at regular intervals, the company depreciates them separately based on their specific useful lives. Likewise, when a major inspection is performed, its cost is recognized in the carrying amount of the plant and equipment as a replacement if the recognition criteria are satisfied. All other repairs and maintenance costs are recognized in the statement of profit & loss as and when incurred.

Depreciation on property, plant and equipment (except Office equipment & Transport Equipment) is provided on the straight line method, and others are provided on written down value method, computed on the basis of useful life prescribed in Schedule II to the Companies Act, 2013, on a pro-rata basis from the date the asset is ready to put to use.

The residual values, useful lives and method of depreciation are reviewed at the end of each financial year and adjusted prospectively, if appropriate.

Lease hold land is amortised over the lease period from the date of receipt of advance possession or execution of lease deed, whichever is earlier.

De-recognition

An item of property, plant and equipment and any significant part initially recognized is derecognized upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on de-recognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is recognized in statement of profit & loss when the asset is derecognized.

3.7 Intangible assets

Recognition and initial measurement

Intangible assets are stated at their cost of acquisition. The cost comprises purchase price, borrowing cost if capitalization criteria are met and directly attributable cost of bringing the asset to its working condition for the intended use. Any trade discount and rebates are deducted in arriving at the purchase price.

The useful lives of intangible assets are assessed to be finite. Intangible assets are amortised over their useful life and assessed for impairment whenever there is an indication that the intangible asset may be impaired. The amortisation period and the amortisation method for an intangible asset with a finite useful life are reviewed at least at each financial year end. The intangibles are depreciated on a straight line basis over a period of 5 Years.

The residual values, useful lives and method of depreciation of are reviewed at the end of each financial year and adjusted prospectively, if appropriate.

Depreciation and Amortisation of the assets commences when the assets are ready for their intended use. Depreciation and amortisation ceases when the net book value of the asset is zero or the asset is no longer in use.

Gains or losses arising from derecognizing of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the statement of profit and loss at the moment that the asset is derecognised.

3.8 Impairment of non-financial assets

Property, plant and equipment and intangible assets with finite life are evaluated for recoverability whenever there is any indication that their carrying amounts may not be recoverable. If any such indication exists, the recoverable amount (i.e. higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the cash generating unit (CGU) to which the asset belongs.

If such assets are considered to be impaired, the impairment to be recognized in the Statement of Profit and Loss is measured by the amount by which the carrying value of the assets exceeds the estimated recoverable amount of the asset. An impairment loss is reversed in the statement of profit and loss if there has been a change in the estimates used to determine the recoverable amount. The carrying amount of the asset is increased to its revised recoverable amount, provided that this amount does not exceed the carrying amount that would have been determined (net of any accumulated amortization or depreciation) had no impairment loss been recognized for the asset in prior years.

For assets an assessment is made at each reporting period end or whenever triggering event occurs as to whether there is any indication that previously recognised impairment losses may no longer exist or may have decreased. If such indication exists, the Company makes an estimation of the recoverable amount.

A previously recognised impairment loss is reversed only if there has been a change in the estimations used to determine the asset's recoverable amount since the last impairment loss was recognised. If that is the case the carrying amount of the asset is increased to its recoverable amount. That increased amount cannot exceed the carrying amount that would have been determined, net of depreciation, or had no impairment loss been recognised for the asset in prior years.

3.9 Inventories

Raw Materials, Stores and Spares and work in process is valued at lower of weighted average cost (net of Cenvat) and Net Realizable Value (NRV)

Finished Goods have been valued at lower of cost and net realisable value. Cost for this purpose includes direct cost, attributable overheads and excise duty.

By-products are valued at estimated selling price.

NRV is the estimated selling price in the ordinary course of business less the estimated cost of completion and estimated cost necessary to make the sale.

3.10 Trade Receivable

Trade receivables are amounts due from customers for sale of goods or services performed in the ordinary course of business. Trade receivables are recognized initially at fair value. They are subsequently measured at amortised cost using the effective interest method, net of provision for impairment. The carrying value less impairment provision of trade receivables, are assumed to be approximate to their fair values.

3.11 Cash and cash equivalents

Cash and cash equivalents include cash at bank and in hand and deposits held at call with banks.

For the purpose of the cash flows statements, cash and cash equivalents consist of cash and short-term deposits, as defined above, net of outstanding bank overdrafts as they are considered an integral part of the Company's cash management. In the balance sheet, bank overdrafts are shown within borrowings in current liabilities.

3.12 Financial Instruments

a) Investments and other financial assets

i. Initial recognition and measurement

The Company recognizes financial assets when it becomes a party to the contractual provisions of the instrument. All financial assets are recognized at fair value on initial recognition. Transaction costs that are directly attributable to the acquisition or issue of financial assets, which are not at fair value through profit or loss, are added to the fair value on initial recognition. Regular way purchase and sale of financial assets are accounted for at trade date.

ii. Subsequent measurement

For purposes of subsequent measurement, the Company classifies its financial assets in the following measurement categories:

- those to be measured subsequently at fair value (either through other comprehensive income, or through profit or loss), and
- those measured at amortized cost.

The classification depends on the entity's business model for managing the financial assets and the contractual terms of the cash flows. For assets measured at fair value, gains and losses will either be recorded in profit or loss or other comprehensive income. For investments in debt instruments, this will depend on the business model in which the investment is held. For investments in equity instruments, this will depend on whether the Company has made an irrevocable election at the time of initial recognition to account for the equity investment at fair value through other comprehensive income.

The Company reclassifies debt investments when and only when its business model for managing those assets changes.

Debt instruments

Subsequent measurement of debt instruments depends on the Company's business model for managing the asset and the cash flow characteristics of the asset. There are three measurement categories into which the Company classifies its debt instruments:

Amortised cost: Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortised cost. A gain or loss on a debt investment that is subsequently measured at amortised cost is recognised in profit or loss when the asset is derecognised or impaired. Interest income from these financial assets is included in finance income using the effective interest rate method.

Fair value through other comprehensive income (FVOCI): Assets that are held for collection of contractual cash flows and for selling the financial assets, where the assets' cash flows represent solely payments of principal and interest, are measured at fair value through other comprehensive income (FVOCI). Movements in the carrying amount are taken through OCI, except for the recognition of impairment gains or losses, interest revenue and foreign exchange gains and losses which are recognised in profit and loss. When the financial asset is derecognised, the cumulative gain or loss previously recognized in OCI is reclassified from equity to profit or loss. Interest income from these financial assets is included in other income using the effective interest rate method.

Fair value through profit or loss (FVTPL): Assets that do not meet the criteria for amortised cost or FVOCI are measured at fair value through profit or loss. A gain or loss on a debt investment that is subsequently measured at fair value through profit or loss is recognised in profit or loss in the period in which it arises. Interest income from these financial assets is included in other income.

Equity investments

The Company subsequently measures all equity investments at fair value. Where the Company's management has elected to present fair value gains and losses on equity investments in other comprehensive income, there is no subsequent reclassification of fair value gains and losses to profit or loss. Dividends from such investments are recognised in profit or loss as other income when the Company's right to receive payments is established. Changes in the fair value of financial assets at fair value through profit or loss are recognised in the statement of profit and loss. Impairment losses (and reversal of impairment losses) on equity investments measured at FVOCI are not reported separately from other changes in fair value.

Investment in subsidiaries

Investment in subsidiaries is carried at cost less impairment (if any).

iii. Derecognition

A financial asset is derecognised only when:

i. the rights to receive cash flows from the asset have expired, or

ii. the Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows to one or more recipient

Where the entity has transferred an asset, the Company evaluates whether it has transferred substantially all risks and rewards of ownership of the financial asset. In such cases, the financial asset is derecognised. Where the entity has not transferred substantially all risks and rewards of ownership of the financial asset, the financial asset is not derecognised.

Where the entity has neither transferred a financial asset nor retains substantially all risks and rewards of ownership of the financial asset, the financial asset is derecognised if the Company has not retained control of the financial asset. Where the Company retains control of the financial asset, the asset is continued to be recognised to the extent of continuing involvement in the financial asset.

iv. Impairment of Financial Assets

The Company assesses on a forward looking basis the expected credit losses associated with its assets carried at amortised cost and FVOCI debt instruments. The impairment methodology applied depends on whether there has been a significant increase in credit risk.

The impairment methodology for each class of financial assets stated above is as follows:

Debt investments measured at amortised cost and FVOCI: Debt investments at amortised cost and those at FVOCI where there has been a significant increase in credit risk, lifetime expected credit loss provision method is used and in all other cases, the impairment provision is determined as 12 months expected credit losses.

Trade receivables and lease receivables from customers: The Company applies the simplified approach to providing for expected credit losses prescribed by Ind AS 109, which requires the use of the lifetime expected loss provision for all trade receivables and lease receivables.

v. **Offsetting Financial instruments**

Financial assets and liabilities are offset and the net amount reported in the balance sheet when there is a legally enforceable right to offset the recognized amounts and there is an intention to settle on a net basis, or realize the asset and settle the liability simultaneously.

b. **Derivative financial instruments**

The Company uses derivative financial instruments, such as forward currency contracts, option contract and cross currency swap, to hedge its foreign currency risks and interest rate risks. Such derivatives are initially recognised at fair value on the date a derivative contract is entered into and are subsequently re-measured at their fair value with changes in fair value recognized in the statement of profit and loss, under financial income or financial cost, in the period when they arise.

c. **Share Capital:**

Ordinary shares are classified as equity. Incremental costs directly attributable to the issue of new shares or options are shown in equity as a deduction, net of tax, from the proceeds.

d. **Financial Liabilities**

i. **Classification as debt or equity**

Debt and equity instruments issued by the Company are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definition of a financial liability and an equity instrument. An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities.

ii. **Initial recognition and measurement**

All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

The Company's financial liabilities include trade and other payables, loans and borrowings including bank overdrafts, financial guarantee contracts and derivative financial instruments.

iii. **Subsequent measurement**

The measurement of financial liabilities depends on their classification, as described below:

1) **Borrowings:** Borrowings are subsequently carried at amortised cost; any difference between the proceeds (net of transaction costs) and the redemption value is recognised in the statement of profit and loss over the period of the borrowings using the effective interest method. Fees paid on the establishment of loan facilities are recognised as transaction costs of the loan to the extent that it is probable that some or all of the facility will be drawn down. In this case, the fee is deferred until the draw-down occurs. To the extent there is no evidence that it is probable that some or all of the facility will be drawn down, the fee is capitalised as a pre-payment for liquidity services and amortised over the period of the facility to which it relates.

Preference shares, which are mandatorily redeemable on a specific date, are classified as liabilities. The dividends on these preference shares are recognized in profit or loss as finance costs.

2) **Trade and other payable:** These amounts represent obligations to pay for goods or services that have been acquired in the ordinary course of business from suppliers. Trade and payables are subsequently measured at amortized cost using the effective interest method.

3) **Financial Guarantee Contracts:**

Financial Guarantee Contracts are recognized as a financial liability at the time the guarantee is issued. The liability is initially is measured at fair value and subsequently at the higher of the amount determined in accordance with IND AS 37 and the amount initially recognized less cumulative amortization, where appropriate.

The fair value of financial guarantee is determined as the present value of the differences in net cash flows between the contractual payments under the debt instruments and the payments that would be required without the guarantee, for the estimated that would be payable to third party for assuming the obligation.

There is a restriction in the agreements executed with the financial instruments for charging of guarantee commission for guarantees given.

iv. Derecognition

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the de-recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit or loss.

3.13 Income tax

Income tax expense comprises current and deferred income tax. Income tax expense is recognized in net profit in the statement of profit and loss except to the extent that it relates to items recognized directly in equity, in which case it is recognized in other comprehensive income. Current income tax for current and prior periods is recognized at the amount expected to be paid to or recovered from the tax authorities, using the tax rates and tax laws that have been enacted or substantively enacted by the balance sheet date. Deferred income tax assets and liabilities are recognized for all temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements. Deferred tax assets are reviewed at each reporting date and are reduced to the extent that it is no longer probable that the related tax benefit will be realized.

Deferred income tax assets and liabilities are measured using tax rates and tax laws that have been enacted or substantively enacted by the balance sheet date and are expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled. The effect of changes in tax rates on deferred income tax assets and liabilities is recognized as income or expense in the period that includes the enactment or the substantive enactment date. A deferred income tax asset is recognized to the extent that it is probable that future taxable profit will be available against which the deductible temporary differences and tax losses can be utilized. The company offsets current tax assets and current tax liabilities, where it has a legally enforceable right to set off the recognized amounts and where it intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously.

3.14 Employee Benefits

a) Short-term / long term obligations

All employee benefits payable wholly within twelve months of rendering the service including performance incentives and compensated absences are classified as short term employee benefits. The undiscounted amount of short term employee benefits expected to be paid in exchange for the services rendered by employees are charged off to the Statement of Profit and Loss/ Capital Work-in-Progress, as applicable. The employee benefits which are not expected to occur within twelve months are classified as long term benefits and are recognised as liability at the net present value.

b) Defined contribution plan

Contributions to defined contribution schemes such as provident fund, Employees State Insurance and Pension Plans are charged off to the Statement of Profit and Loss/ Capital Work-in-Progress, as applicable, during the year in which the employee renders the related service.

c) Defined benefit plan

i) Gratuity :

The liability or asset recognized in the balance sheet in respect of defined benefit gratuity plan is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets.

The defined benefit obligation is calculated annually by independent actuaries using the projected unit credit method. The present value of the defined benefit obligation is determined by discounting the estimated future cash outflows using interest rates of government bond and that have terms to maturity approximating to the terms of the related gratuity.

Re-measurements, comprising of actuarial gains and losses, the effect of the asset ceiling, excluding amounts included in net interest on the net defined benefit liability and the return on plan assets (excluding amounts included in net interest on the net defined benefit liability), are recognised immediately in the balance sheet with a corresponding debit or credit to retained earnings through Other Comprehensive Income (OCI) in the period in which they occur. Re-measurements are not reclassified to profit or loss in subsequent periods.

Net interest is calculated by applying the discount rate to the net defined benefit liability or asset.

ii) Other Long term employee benefits:

The company has a policy on compensated absences which are both accumulating and non-accumulating in nature. The expected cost of accumulating compensated absences is determined by actuarial valuation performed by an independent actuary at each balance sheet date using projected unit credit method on the additional amount expected to be paid/availed as a result of the unused entitlement that has accumulated at the balance sheet date. Expense on non-accumulating compensated absences is recognized in the statement of profit or loss in the period in which the absences occur.

The Company has a scheme for payment of Loyalty on retirement to eligible employees. The scheme is unfunded. The expected cost of loyalty obligation is determined by actuarial valuation performed by an independent actuary at each balance sheet date using projected unit credit method. Expense on loyalty obligation is recognized in the statement of profit or loss in the period in which they occur.

3.15 Provisions, contingent liabilities and contingent assets

Provisions

Provisions are recognized when the Company has a present legal or constructive obligation as a result of past events; it is probable that an outflow of resources will be required to settle the obligation; and the amount has been reliably estimated.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.

Contingent liabilities

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company. A present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or reliable estimate of the amount cannot be made, is termed as contingent liability.

Contingent Assets

Contingent assets is disclosed where an inflow of economic benefit is probable.

3.16 Earnings per share

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders (after deducting attributable taxes) by the weighted average number of equity shares outstanding during the period.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

3.17 Cash flow statement

Cash flows are reported using the indirect method, whereby profit before tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

3.18 Critical accounting estimates and judgements

Preparing the financial statements under Ind AS requires management to take decisions and make estimates and assumptions that may impact the value of revenues, costs, assets and liabilities and the related disclosures concerning the items involved as well as contingent assets and liabilities at the balance sheet date. Estimates and judgements are continusally evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

The Company make estimates and assumptions concerning the future. The resulting accounting estimates will, by definition, seldom equal the related actual results. The estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are discussed below:

(a) Impairment of Non-Financial Assets

The Company assesses at each reporting date whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or CGU's fair value less costs of disposal and its value in use. It is determined for an individual asset, unless the asset does not generate the cash inflow that is largely independent of those from other asset or group of assets. Where the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

In assessing the value in use, the estimated future cash flow are discounted to their present value using a pre-tax discount rate that reflects current market assessment of the time value of money and the risks specific to the asset. In determining fair value less costs of disposal, recent market transactions are taken into account. If no such transactions can be identified, an appropriate valuation model is used. These calculations are corroborated by valuation multiples, quoted shares prices for publicly traded subsidiaries or other available fair value indicators.

(b) Impairment of Financial Assets

The impairment provisions for financial assets are based on assumption about risk of default and expected loss rate. The Company uses judgement in making these assumptions and selecting the inputs to the impairment calculation, based on Company's past history, existing market conditions as well as forward looking estimates at the end of each reporting period.

(c) Defined benefit obligations

The present value of the defined benefit obligations depends on a number of factors that are determined on an actuarial basis using a number of assumptions. The assumptions used in determining the net cost (income) for post employments plans include the discount rate. Any changes in these assumptions will impact the carrying amount of such obligations.

The Company determines the appropriate discount rate at the end of each year. This is the interest rate that should be used to determine the present value of estimated future cash outflows expected to be required to settle the defined benefit obligations. In determining the appropriate discount rate, the Company considers the interest rates of government bonds of maturity approximating the terms of the related plan liability.

(d) Income taxes

There are transactions and calculations for which the ultimate tax determination is uncertain and would get finalized on completion of assessment by tax authorities. Where the final tax outcome is different from the amounts that were initially recorded, such differences will impact the income tax and deferred tax provisions in the period in which such determination is made.

Deferred tax on temporary differences reversing within the tax holiday period is measured at the tax rates that are expected to apply during the tax holiday period, which is the lower tax rate or the nil tax rate.

(e) Recoverability of advances /receivables

At each balance sheet date, based on historical default rates observed over expected life, the management assesses the expected credit loss on outstanding receivables and advances.

3.19 Ind AS 7, 'Statement of Cash Flows

The Ministry of Corporate Affairs has issued the Companies (Indian Accounting Standards) (Amendment) Rules, 2017 (the 'Amendment rules') on 17 March 2017, notifying amendment to IND AS 7, 'Statement of Cash Flows'.

The amendment to IND AS 7 introduces an additional disclosure that will enable users of financial statements to evaluate changes in liabilities arising from financing activities, including both changes arising from cash flows and non-cash changes.

17 (a) Amount Due to Micro and Small Enterprises

The Company has initiated the process of identifying the suppliers who qualify under the definition of micro and small enterprises, as defined under the Micro, Small and Medium Enterprises Development Act, 2006. Since no intimation has been received from the suppliers regarding their status under the said Act as at 31st March 2017, disclosures relating to amounts unpaid as at the year end, if any, have not been furnished. In the opinion of the management, the impact of interest, if any, that may be payable in accordance with the provisions of the Act is not expected to be material.

NOTES ATTACHED TO AND FORMING PART OF FINANCIAL STATEMENTS

(All amounts in INR lakhs, unless otherwise stated)

Chemical Process Ltd filed petition before Micro small and medium Enterprises Facilitation Council, Konkan Division under section 18 (1) of Micro, Small and medium Enterprises Development Act 2006 claiming outstanding amount of ₹ 281.72 lacs against the supply of product as per the contract dated 21st June 2013 for "Design, engineering, fabrication, testing, supply, supervision, commissioning assistance of FRP reactor for Tamzinco Project. BZL filed reply before the Facilitation Council on the ground that BZL is a sick company and its case is registered with the BIFR. BZL further stated that protection under section 22 (1) of SICA is available immediately after registration of reference with BIFR. Since BZL proceedings are still pending with BIFR, proceedings under Micro, Small and medium Enterprises Development Act 2006 can only be initiated with prior consent from BIFR or the appellate authority. This was turned down.

M/s Chemical Process Equipments Pvt Limited an MSE had approached Mico and Samll Enterprises Facilitation Council, Mumbai Region, Directorate of Industries, Government of Maharashtra for their claims and the latter has vide their order dated January 10, 2018 ordered the Company that "Respondent is required to pay to the Petitioner ₹ 281.72 lakhs alongwith interest on each and every due amount of the invoice when become payable after deducton of 30 days till the realization of the amount to the Petitioner. " As banks have taken action under SARFESI and is under symbolic possession of the Banks w.e.f 16th December 2016, no interest has been charged or considered in the Profit and Loss Accounts statements.

NOTE NO. 20 (a)

The Company had not operated the plant from November 27, 2014. An application for closure of the plant was made to the Government of Kerala on June 12, 2015 and the same was rejected without granting us an opportunity to be heard. On October 16, 2015 the Labour Secretary rejected the review petition filed under Section 25-O(5) of the Industrial Disputes Act, 1947. Consequently, the Company filed a writ Mandamus in High Court of Kerala seeking directive to refer the matter for adjudication. Under the circumstance the entire provisions for employee benefits has been classified as Short-Term liability.

NOTE NO. 27(ii)

In the financial year 2017-18, KSEB has raised a demand vide letter dated 19/02/2018 for payment of ₹ 4935 lakhs being arrears of electricity charges w.e.f. April 2014. The Company was also eligible for a refund of ₹ 22.92 lakhs based on Government of Kerala refund of Electricity Duty Order No. GO(Ms.) No.10/2016/PD dated 22/04/2016.

KSEB was to correct the bills and accounts consequent upon High Court Order dated 25th March 2013 (WA No. 336 of 2010).

The Company has requested for reduction in the contract demand in February 2015 for reduction to 1500 KVA and thereafter requested for further reduction to 300 KVA pursuant to the spot inspection done by KSEB in October 2015.

The Kerala Electricity Supply code, 2014 contains provisions for disposal of application for reduction of contract demand in a time bound manner i.e. 45 days in case of EHT connection. Regulation 60 of the said code also states that if the applicant fails to avail supply due to reasons beyond its control, the applicant shall not be liable to pay any compensation or charges for such failure.

KSEB's letter dated 05/04/2016 stated " As per Regulation in Supply Code 2014, the licensor is bound to reduce the Contract Demand as requested by the consumer. The KSEB has already directed the agreement authority to reduce the Contract Demand and the compliance from the agreement authority in this regard is not received till date. Thereafter the bills already issued will be revised and the excess payment made if any, will be adjusted in the arrears."

Due to reasons beyond the control, the Company could not operate the plant and therefore could not utilize the contract demand. Therefore the Company should not be held liable for fixed component of the contract demand. The charges on the contract demand are penalty in nature. The Company has requested KSEB to withdraw the same from the month of February 2015.

The Company is in the process of writing a suitable letter to KSEB covering all the above.

NOTE NO. 27(iii)

In the matter of writ filed by Mr. P.E. Shamsudheen in which the Kerala High Court on 4th January, 2016 passed interim order against shifting of plants, machineries and equipment from factory till disposal of writ petition. The matter is subjudice.

Kerala Water Authority has demanded payment of the following:-

Particulars	Amount (₹)
Deposit for supplying of water to existing residences (516 in number) in ward No. 15 of Kadungallor Panchayat as per agreement dated 9th March 2005. (Net of deposit of ₹ 16,02,635 vide cheque dated 8/8/2006 of South Indian Bank)	35,98,645.00
Incremental deposit as per revision of water charges for 10KL for 516 connections for the period October 2010 till march 2018*	9,28,800.00
Dues for water connection upto February 15, 2018	8,31,139.00
Additional demand of kadungaloor Panchayat as discussed in meeting dated 28th December 2017 where the beneficiaries are increasing the number of beneficiaries to 550 from 516 (calculation to be understood)	6,85,440.00
Additional deposit for future tariff increases	52,01,280.00
Pending water dues of 516 families after deduction of payment by EZL till November 2017	21,44,523.00
Total	**1,33,89,827.00**

* Delay in deposit of this amount would entail payment of ₹ 10,320 per month.

NOTE NO. 30

Bankers led by Punjab National Bank who had taken symbolic possession of the following mortgaged assets (on 21/07/2016) have issued a notice for auction of the property "Land and Building and Plant and Machinery situated at Edayar Zinc Limited in an extent of 95.34 acres in Binanipuram, Kadungaloor, Village Parur Taluka, Ernakulam District admeasuring area of Land: 95.34 acres Industrial Building admeasuring area 117483 sq. meters mortgaged to Consortium as collateral security."

NOTE NO. 31

EZL filed Insurance Claim before the consumer dispute Kerala State Commission against Oriental Insurance Co. Ltd. seeking order directing Oriental Insurance to pay an amount of ₹ 71.12 lakhs.

Oriental insurance company rejected EZL's claim citing non-disclosure of material facts by EZL ie. Non-disclosure that DG set was old. EZL's contention is that EZL have asked Oriental Insurance Co. Ltd to cover the existing DG set & not a new one.

NOTE NO. 32

In respect of capital goods imported at concessional rate of duty under the EPCG Scheme, the Company received notice no. DRI/BZL/CHN/SCN-08/2016 from DRI dated 29/11/2016 for an export obligation of ₹ 965.02 lakhs which is required to be met at different dates before November 2019. In the event of non-fulfilment of the export obligation, the Company will be liable to refund the availment of concessional customs duties and penalties as applicable. The DRI authorities had come to the plant and seized the imported capital goods which was in carton, which is included in CWIP.

DRI vide order dated 01/02/2018 have ordered payment due of ₹ 1.95 crore as follows which would be made good by enforcing the Bond executed at the time of clearance of the consignment. The value of bonds issued at the time of Import is ₹ 1.32 crore (see break-up below). This apart, the goods imported of value ₹ 3.65 crores have been confiscated.

NOTE NO. 36 - FINANCIAL RISK MANAGEMENT

The Company's financial risk management is an integral part of how to plan and execute its business strategies. The Company's financial risk management policy is set by the Managing Board.

Market risk is the risk of loss of future earnings, fair values or future cash flows that may result from a change in the price of a financial instrument. The value of a financial instrument may change as a result of changes in the interest rates, foreign currency exchange rates, equity prices and other market changes that affect market risk sensitive instruments. Market risk is attributable to all market risk sensitive financial instruments including investments and deposits, foreign currency receivables, payables and loans and borrowings.

The Company manages market risk through a treasury department, which evaluates and exercises independent control over the entire process of market risk management. The treasury department recommend risk management objectives and policies, which are approved by Senior Management and the Audit Committee. The activities of this department include management of cash resources, implementing hedging strategies for foreign currency exposures like foreign exchange forward contracts, borrowing strategies and ensuring compliance with market risk limits and policies.

The Company's risk management is carried out by Finance department under policies approved by the board of directors. The Company finance department identifies, evaluates and hedges financial risks in close co-operation with the Company's operating units. The board provides written principles for overall risk management, as well as policies covering specific areas, such as foreign exchange risk, interest rate risk, credit risk, use of derivative financial instruments and non-derivative financial instruments, and investment of excess liquidity.

(A) Credit risk

The company is exposed to credit risk, which is the risk that counter party will default on its contractual obligation resulting in a financial loss to the group. Credit risk arises from cash and cash equivalents, financial assets carried at amortised cost, derivative products and deposits with banks and financial institutions, as well as credit exposures to trade/non-trade customers including outstanding receivables.

(i) Credit risk management

Credit risk arises from the possibility that the counter party may not be able to settle their obligations as agreed. To manage this, the Company periodically assesses financial reliability of customers and other counter parties, taking into account the financial condition, current economic trends, and analysis of historical bad debts and ageing of financial assets. Individual risk limits are set and periodically reviewed on the basis of such information.

NOTES ATTACHED TO AND FORMING PART OF FINANCIAL STATEMENTS

(All amounts in INR lakhs, unless otherwise stated)

The Company considers the probability of default upon initial recognition of asset and whether there has been a significant increase in credit risk on an ongoing basis through each reporting period. To assess whether there is a significant increase in credit risk the Company compares the risk of default occurring on asset as at the reporting date with the risk of default as at the date of initial recognition. It considers reasonable and supportive forwarding-looking information such as:

i) Actual or expected significant adverse changes in business,
ii) Actual or expected significant changes in the operating results of the counterparty,
iii) Financial or economic conditions that are expected to cause a significant change to the counterparty's ability to meet its obligations,
iv) Significant increase in credit risk on other financial instruments of the same counterparty,
v) Significant changes in the value of the collateral supporting the obligation or in the quality of the third-party guarantees or credit enhancements.

Financial assests are written off when there is no reasonable expectations of recovery, such as a debtor failing to engage in a repayment plan with the Company. Where loans or receivables have been written off, the Company continues to engage in enforcement activity to attempt to recover the receivable due. Where recoveries are made, these are recognized as income in the statement of profit and loss.

The Company measures the expected credit loss of trade receivables and loan from individual customers based on historical trend, industry practices and the business environment in which the entity operates. Loss rates are based on actual credit loss experience and past trends. Based on the historical data, loss on collection of receivable is not material hence no additional provision considered.

Ageing of Account receivables

Particulars	**As at 31st March 2018**	As at 31st March 2017
Not due		
0-180 Days	**-**	-
181-360 Days	**-**	-
1 years to 2 years	**-**	-
More than 2 years	**-**	-
Total	**-**	-

Financial Assets are considered to be of good quality and there is no significant increase in credit risk.

(B) LIQUIDITY RISK

Prudent liquidity risk management implies maintaining sufficient cash and marketable securities and the availability of funding through an adequate amount of committed credit facilities to meet obligations when due and to close out market positions. Due to the dynamic nature of the underlying businesses, group treasury maintains flexibility in funding by maintaining availability under committed credit lines.

Management monitors rolling forecasts of the company's liquidity position (comprising the undrawn borrowing facilities below) and cash and cash equivalents on the basis of expected cash flows. This is generally carried out at Corporate in accordance with practice and limits set by the Holding Company Management . These limits vary by location to take into account the liquidity of the market in which the entity operates. In addition, the group's liquidity management policy involves projecting cash flows in major currencies and considering the level of liquid assets necessary to meet these, monitoring balance sheet liquidity ratios against internal and external regulatory requirements and maintaining debt financing plans.

(i) Financing arrangements

The group had access to the following undrawn borrowing facilities at the end of the reporting period:

Particulars	**31 March 2018**	31 March 2017
Floating rate		
Expiring within one year (bank overdraft and other facilities)	**24,837.83**	24,750.44
Expiring beyond one year (bank loans)	**-**	-
Total	**24,837.83**	24,750.44

The bank overdraft facilities may be drawn at any time and may be terminated by the bank without notice. Subject to the continuance of satisfactory credit ratings, the bank loan facilities may be drawn at any time in INR and have an average maturity of 1 year (2017 – 1 year).

NOTES ATTACHED TO AND FORMING PART OF FINANCIAL STATEMENTS

(All amounts in INR lakhs, unless otherwise stated)

(i) Maturities of financial liabilities

The tables below analyse the Company's financial liabilities into relevant maturity groupings based on their contractual maturities for:

- all non-derivative financial liabilities

The amounts disclosed in the table are the contractual undiscounted cash flows.

I) Maturity patterns of Borrowings

(₹ in Lakhs)

As at 31st March, 2018	0-180 Days	181-360 Days	1 years to 5 years	More than 5 years	Total

	1% Increase	1% Decrease	1%Increase	1%Decrease
USD	-	-	(1.21)	1.21
Total	-	-	(1.21)	1.21

NOTE NO. 37 - CAPITAL MANAGEMENT

(a) Risk management

The Company aim to manages its capital efficiently so as to safeguard its ability to continue as a going concern and to optimise returns to our shareholders.

The capital structure of the Company is based on management's judgement of the appropriate balance of key elements in order to meet its strategic and day-to-day needs. We consider the amount of capital in proportion to risk and manage the capital structure in light of changes in economic conditions and the risk characteristics of the underlying assets. In order to maintain or adjust the capital structure, the Company may adjust the amount of dividends paid to shareholders, return capital to shareholders or issue new shares or sell the assets to reduce the debt.

The Company's policy is to maintain a stable and strong capital structure with a focus on total equity so as to maintain investor, creditors and market confidence and to sustain future development and growth of its business. The Company will take appropriate steps in order to maintain, or if necessary adjust, its capital structure.

(All amounts in INR lakhs, unless otherwise stated)

NOTE NO. 39 : Income taxes

The major components of income tax expense for the years ended 31 March 2018 and 31 March 2017 are:

(a) Statement of profit and loss:

(₹ in Lakhs)

Particulars	31st March, 2018	31st March, 2017
(a) Income tax expense		
Current tax		
Current tax on profits for the year	-	-
Adjustments for current tax of prior periods	-	-
Total current tax expense	-	-
Deferred tax		
Decrease (increase) in deferred tax assets	-	-
(Decrease) increase in deferred tax liabilities	-	-
Total deferred tax expense/(benefit)	-	-
Income tax expense	-	-

(b) The reconciliation of tax expense and the accounting profit multiplied by tax rate :

Particulars	31st March, 2018	31st March, 2017
Profit before income tax expense	**(3,475.85)**	(615.92)
Enacted income tax rate in India	**25.75%**	29.87%
Income tax expense as per enacted rate	**(895.03)**	(183.97)
Tax effect of amounts which are not deductible(taxable) in calculating taxable income:		
Expenses disallowed since business not commenced		
Depreciation	**-**	-
Other items	**-**	-
DTA not recognised	**895.03**	183.97
Adjustments for current tax of prior periods	**-**	-
Tax losses for which no deferred income tax was recognised	**-**	-
Income tax expense	**-**	-

Note: Deferred Income Tax Asset is not recognised in the books.

40.1 In the year 2004 KSEB had imposed penalty of ₹ 20 lakhs per month for unauthorized additional load. The Single Bench of the Hon'ble High Court of Kerala, had in December 2009, disposed the Company's Petition against the Order of the Appellate Authority (Dy. Chief Engineer KSEB) and quashed the order levying penalty for unauthorised additional load. Matter was remanded with a direction to take a decision afresh in accordance with Law considering the bonafide conduct of the Company. The Single Judge held that the Company had obtained all the necessary approvals & energization order from Electrical Inspectorate as stipulated in the conditions of supply of KSEB and since there was no violation, the penal charges are not payable. However matter was remanded. Company filed appeal against remand before the Division Bench. Division Bench held in Company's favor completely. Hence no provision is considered necessary at this stage.

40.2 In respect of electricity charges payable for certain years in the prior period, KSEB had withdrawn the concessional tariff eligible for the Company. Though initially the tariff concession was extended, it was subsequently withdrawn by KSEB, on the specific plea that the capacity expansion (which was the criteria for eligibility) was not achieved before due date. KSEB raised claim for ₹ 816.88 Lakhs for those years, which was provided for. The Company had taken up the matter before the Hon'ble High Court of Kerala, which was admitted. KSEB withdrew its earlier order and sought permission for de novo determination, which was accepted by the Single Judge. Company went before Division Bench to issue necessary orders for accepting Company's eligibility. Hearings have been completed and reserved for judgement. Since the matter is pending for nearly three decades and based on the legal advice obtained, the said amount of ₹ 816.88 lakhs provided for, was considered no longer payable and written back in the accounts of the Company in the year 2003-04. The Company, as legally advised, is hopeful of a favourable decision on final settlement of the issues involved in the matter and hence no provision is made for the said amount, which is included under contingent liabilities.

NOTES ATTACHED TO AND FORMING PART OF FINANCIAL STATEMENTS

(All amounts in INR lakhs, unless otherwise stated)

NOTE NO. 41 - SEGMENT REPORTING

The Company operates in a single segment i.e. 'Production and Sales of Zinc and allied products in India'. The company's entire Zinc sales are in India. Hence no additional disclosures under Ind AS "Operating Segments" are required in these financial statements.

NOTE NO. 42 - RISK MANAGEMENT TRANSACTIONS

42.1 The Company undertakes hedging against the risk in commodity prices (zinc prices) through derivative instruments in London Metal Exchange. The gain/losses are recognized in the Statement of Profit and Loss on settlement of the transaction. However, during the year 2017-18, the Company has not undertaken any fresh hedging activities.

42.2 In pursuance of the announcement dated 29/03/2008 of the Institute of Chartered Accountants of India on accounting for derivatives, mark to market gains (net) on outstanding derivative instruments as at 31/03/2018 stood at Nil (Previous Year Nil).

NOTE NO. 43

Punjab National Bank (PNB) in its capacity as lead bank had initiated action under section 13(4) of SARFAESI Act, 2002. The Company had filed a writ petition before Bombay High Court challenging the action initiated by its Bankers under section 13(4) of the SARFAESI Act, 2002. Bombay High Court vide order dated 23rd June, 2016 disposed off the writ petition filed by Company. The Court whilst ruling in favor of lenders has granted six weeks period from the date of the order for seeking appropriate legal remedy from DRT and directed lenders to seek only symbolic possession of immovable properties during such period granted to the Company.

EXIM bank filed their appearance on 20th April 2017. In the opinion of the management, the assets of the Company are sufficient to discharge the liabilities at this stage. Accordingly the financial statements for the current year are drawn up on going concern basis. DRT proceedings are undergoing.

NOTE NO. 44

The management is of the opinion, taking due consideration of the factors stated in Notes above and also that the realisable value of the assets is more than the carrying value in accordance with the provisions of Indian Accounting Standard – IND AS 36 (Impairment of Assets). The assets are not tested for impairment.

NOTE NO. 45 - ADVANCE FOR SALE OF LAND

The agreement with M/s Rhea Realty Private Limited for sale of land is pending before the Honourable High Court of Kerala. This is pursuant to the order of the Paravoor Civil Court in the subject matter. While discussions are underway, in the matter of dispute on the sale agreement, ₹ 100 lakhs was received from M/s Megalith Builders Private Limited (a related party of M/s Rhea Realty Private Limited) as further advance for land sale as a goodwill gesture.

NOTE NO. 46

No events or transactions have occurred since the date of Balance Sheet or are pending that would have a material effect on the financial statements for the year ended, other than those reflected or fully disclosed in the books of accounts.

Note: Figures of previous years regrouped or restated wherever necessary.

INDEPENDENT AUDITORS' REPORT

To
The Members of Edayar Zinc Limited, Kolkata

Report on the Consolidated Financial Statements

We have audited the accompanying consolidated Ind AS financial statements of Edayar Zinc Limited (hereinafter referred to as "the Holding Company") and its subsidiary (the Holding Company and its subsidiary together referred to as "the Group") which comprise the consolidated balance sheet as at 31 March 2018, the consolidated statement of profit and loss (including other comprehensive income), the consolidated statement of cash flows and the consolidated statement of changes in equity for the year the ended and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated Ind AS financial statements").

Management's Responsibility for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the preparation of these consolidated Ind AS financial statements in terms of the requirements of the Companies Act, 2013 (hereinafter referred to as "the Act") that give a true and fair view of the consolidated financial position, consolidated financial performance including other comprehensive income, consolidated cash flows and consolidated changes in equity of the Group in accordance with the accounting principles generally accepted in India, including the Accounting Standards (Ind AS) prescribed under Section 133 of the Act read with relevant rules issued thereunder. The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated Ind AS financial statements by the Directors of the Holding Company, as aforesaid.

Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated Ind AS financial statements based on our audit. While conducting the audit, we have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.

We conducted our audit in accordance with the Standards on Auditing specified under section 143(10) of the Act. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated Ind AS financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the consolidated Ind AS financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated Ind AS financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Holding Company's preparation of the consolidated Ind AS financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Holding Company's Board of Directors, as well as evaluating the overall presentation of the consolidated Ind AS financial statements.

We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the consolidated Ind AS financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including the Ind AS, of the consolidated financial position of the Group, as at 31 March 2018 and its consolidated financial performance including other comprehensive income, its consolidated cash flows and the consolidated changes in equity for the year the ended.

Emphasis of Matters

We draw attention to the following matters in the Notes to the financial statements:

a) Note No. 47 of the financial statements stating that the financial statements have been prepared on the going concern basis as per the opinion of the Management, however the flow of events and current status of the proceedings initiated by Banks under Section 13(4) of the Securitisation and Reconstruction of Financial Assets and Enforcement of Security Interest Act, 2002 (SARFAESI Act),where in bankers have taken symbolic possession of the assets mortgaged with them and have issued a notice for auction of the Property "Land and Building and Plant and Machinery situated at Edayar Zinc Ltd in an extent of 95.34 acres in Binanipuram, Kadungaloor, Village Parur Taluka, Ernakulam District admeasuring area 117483 sq. Meters mortgaged to consortium as collateral security and in the absence of any evident plan to pay back, we are of the opinion that the going concern assumption of the company is not true.

b) Note No.48 of the financial statements stating that in the opinion of the management, there is no impairment in the value of the fixed assets to be recognized in the accounts at this stage, within the meaning of Indian Accounting Standard (Ind AS) 36– Impairment of Assets, notified by the Companies Accounting Standards Rules 2006, which is however dependant on various uncertainties over its ability to continue as a going concern, as stated therein.

c) Non-Provision for interest: Note No. 18(i)(a) of the Financial Statements stating that interest of ₹ 40.23 Crores (P.Y. ₹40.92 Crores) for the financial year 2017-18 has not been provided in the financial statements as the Company's accounts have been declared as NPA by it's bankers.

d) Electricity charges of ₹ 5056.36 lakhs (P.Y. ₹ 894.98 lakhs) till 31/03/2018 has not been provided as a liability in the financial statements.

e) As per information and explanation provided to us, the bankers have filed the case with High Court of Bombay to declare the directors of the Company as willful defaulter, as informed to us the matter is sub-judice.

Our report is not qualified in respect of these matters.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143 (3) of the Act, we report that:

(a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.

(b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books.

(c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss, and the Consolidated Cash Flow Statement dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements.

(d) In our opinion, the aforesaid consolidated financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014, as applicable.

(e) In our opinion, the matters described in sub paragraphs (a) to (d), under the Emphasis of Matters paragraph above regarding the ability of the Holding Company to continue as a going concern and regarding the impairment in the value of the fixed assets, regarding the proceedings initiated by Banks under SARFAESI Act and pendency of the closure petition, may have an adverse effect on the functioning of the Holding Company.

(f) On the basis of the written representations received from the directors of the Group companies as on 31st March, 2018 and taken on record by the Board of Directors of the respective Group companies, none of the directors of the Group companies is disqualified as on 31st March, 2018 from being appointed as a director in terms of Section 164 (2) of the Act.

(g) We have been informed that the Holding company has discontinued its operations and in absence of any activity and manpower, no internal financial control policies have been separately framed. In absence of any such defined policies we cannot comment on the effectiveness of the internal financial control.

(h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us :

i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements – Refer Note 44.1, 44.2, 47 and 49 in the consolidated Ind AS financial statements.

ii. The Group did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.

iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Holding Company and its subsidiary company.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2018

1. Company information

The Consolidated financial statements of Edayar Zinc Limited ("the Company") and its subsidiary R. B. G. Minerals Industries Limited, collectively referred to as the 'Group' have been prepared in accordance with Ind AS 101, "Consolidated Financial Statements" notified under the Companies

(Accounting Standard) Rules, 2006.

The financial statements are approved for issue by the Company's board of directors on May 28, 2018.

2. Basis of Preparation of financial statements

Compliance with Indian Accounting Standards

The financial statements of the Company have been prepared in accordance with Indian Accounting Standards ("Ind AS") notified under the Companies (Indian Accounting Standards) Rules, 2015 and relevant provisions of the Companies Act, 2013 ("the Act"). The policies set out below have been consistently applied during the year presented.

These financial statements for the year ended 31 March 2018 are prepared in accordance with IND AS.

Historical cost convention

The financial statements have been prepared under the historical cost convention, as modified by the following:

- Certain financial assets and financial liabilities (including derivative instruments) at fair value;
- Defined benefit plans – plan assets that are measured at fair value; and
- Land included in PPE are measured at Carrying Value

The financial statements are presented in INR, which is also the Company's functional currency and all amounts are rounded to the nearest Lakhs, unless otherwise stated.

3. Summary of significant accounting policies

The financial statements have been prepared using the significant accounting policies and measurement basis summarised below. These were used throughout all periods presented in the financial statements, except where the Company has applied certain accounting policies and exemptions upon transition to Ind AS.

3.1 Current versus non-current classification

The Company presents assets and liabilities in the balance sheet based on current/ non-current classification. An asset is treated as current when it is:

- Expected to be realised or intended to be sold or consumed in normal operating cycle
- Held primarily for the purpose of trading
- Expected to be realised within twelve months after the reporting period, or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period

All other assets are classified as non-current.

A liability is current when:

- It is expected to be settled in normal operating cycle
- It is held primarily for the purpose of trading
- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period

The Company classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

The operating cycle is the time between the acquisition of assets for processing and their realisation in cash and cash equivalents. The company has identified twelve months as its operating cycle.

3.2 Foreign currency

Initial recognition

Foreign currency transactions are recorded in the functional currency, by applying to the foreign currency amount the exchange rate between the functional currency and the foreign currency at the date of the transaction.

Conversion

Foreign currency monetary items are retranslated using the exchange rate prevailing at the reporting date. Non-monetary items, which are measured in terms of historical cost denominated in a foreign currency, are reported using the exchange rate at the date of the transaction and non-monetary items which are carried at fair value or other similar valuation denominated in a foreign currency are reported using the exchange rates that existed when the values were determined.

Exchange differences

Exchange differences arising on the settlement of monetary items or on reporting such monetary items of Company at rates different from those at which they were initially recorded during the year, or reported in previous financial statements, are recognised as income or as expenses in the year in which they arise. The gain or loss arising on translation of non-monetary items measured at cost is treated in line with the recognition of the gain or loss on the change in the value of the item (i.e., translation differences on items whose gain or loss is recognised in OCI or statement of profit & loss are also recognised in OCI or statement of profit & loss, respectively).

3.3 Fair Value Measurement

The Company discloses fair values of financial instruments measured at amortised cost in the financial statements.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability Or
- In the absence of a principal market, in the most advantageous market for the asset or liability

The Company must be able to access the principal or the most advantageous market at the measurement date.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs significant to the fair value measurement as a whole:

- Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

For assets and liabilities that are recognised in the financial statements on a recurring basis, the company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period. Valuation process and assumption used to measure the fair value of Assets and Liabilities is disclosed.

3.4 Revenue recognition

Revenue from sales of goods

Revenue is measured at the fair value of the consideration received or receivable, and represents amounts receivable for goods supplied, stated net of discounts, returns and value added taxes and inclusive of excise duty. The Company recognizes revenue when the amount of revenue can be reliably measured; when it is probable that future economic benefits will flow to the entity; and when specific criteria have been met, as described below.

Revenue from sale of goods is recognized when all the following conditions have been satisfied:

(a) The company has transferred to the buyer the significant risks and rewards of the ownership of the goods;

(b) The company retains neither continuing managerial involvement to the degree usually associated with ownership nor effective control over the goods sold;

(c) The amount of revenue can be measured reliably;

(d) It is probable that the economic benefits associated with the transaction will flow to the company; and

(e) The cost incurred or to be incurred in respect of the transaction can be measured reliably.

Other Revenue is recognized as follow:

Finance Income:

Finance income is recognised as it accrues using the Effective Interest Rate (EIR) method. EIR is the rate that exactly discounts the estimated future cash payment or receipts over the expected life of the financial instruments or a shorter period, where appropriate, to the net carrying amount of the financial asset or liability. Finance income is included in other income in the profit & Loss Account.

Interest Income :

Interest income is recognised on a time proportion basis taking into account the amount outstanding and the rate application.

Royalty Income:

Royalty is recognized on an accrual basis in accordance with the substance of the relevant agreement.

Dividend

Dividends are recognised in profit or loss only when the right to receive payment is established, it is probable that the economic benefits associated with the dividend will flow to the Company, and the amount of the dividend can be measured reliably.

3.5 Borrowing costs

Borrowing costs directly attributable to the acquisition, construction or production of a qualifying asset are included in the cost of that asset. Qualifying asset are asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of the respective assets. All other borrowing costs are expensed in the statement of profit & loss in the period in which they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds. Borrowing costs is reduced to the extent of income arising from temporary parking of funds in fixed deposits and mutual funds.

The capitalisation of borrowing costs is suspended if there are prolonged periods when active development is interrupted. Interest expense for such period has been charged to statement of profit & loss account.

3.6 Property, Plant and equipment (PPE)

Recognition and initial measurement

Freehold land is carried at cost. All other items of property, plant and equipment acquired or constructed are initially recognized at cost net of recoverable taxes, duties, trade discounts and rebates, less accumulated depreciation and impairment of loss, if any. The cost of Tangible Assets comprises of its purchase price, borrowing costs and adjustment arising for exchange rate variations attributable to the assets, including any cost directly attributable to bringing the assets to their working condition for their intended use. The present value of the initial estimated cost for the decommissioning of an asset after its use is included in the cost of the respective asset if the recognition criteria for a provision is met.

Expenditure incurred on assets which are not ready for their intended use comprising direct cost, related incidental expenses and attributable borrowing cost (net of revenues during constructions) are disclosed under Capital Work-in-Progress.

Spare parts are recognised when they meet the definition of property, plant and equipment, otherwise, such items are classified as inventory.

Subsequent measurement (depreciation and useful lives)

When significant parts of plant and equipment are required to be replaced at regular intervals, the company depreciates them separately based on their specific useful lives. Likewise, when a major inspection is performed, its cost is recognized in the carrying amount of the plant and equipment as a replacement if the recognition criteria are satisfied. All other repairs and maintenance costs are recognized in the statement of profit & loss as and when incurred.

Depreciation on property, plant and equipment (except Office equipment & Transport Equipment) is provided on the straight line method, and others are provided on written down value method, computed on the basis of useful life prescribed in Schedule II to the Companies Act, 2013, on a pro-rata basis from the date the asset is ready to put to use.

The residual values, useful lives and method of depreciation are reviewed at the end of each financial year and adjusted prospectively, if appropriate.

Lease hold land is amortised over the lease period from the date of receipt of advance possession or execution of lease deed, whichever is earlier.

De-recognition

An item of property, plant and equipment and any significant part initially recognized is derecognized upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on de-recognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is recognized in statement of profit & loss when the asset is derecognized.

3.7 Intangible assets

Recognition and initial measurement

Intangible assets are stated at their cost of acquisition. The cost comprises purchase price, borrowing cost if capitalization criteria are met and directly attributable cost of bringing the asset to its working condition for the intended use. Any trade discount and rebates are deducted in arriving at the purchase price.

The useful lives of intangible assets are assessed to be finite. Intangible assets are amortised over their useful life and assessed for impairment whenever there is an indication that the intangible asset may be impaired. The amortisation period and the amortisation method for an intangible asset with a finite useful life are reviewed at least at each financial year end. The intangibles are depreciated on a straight line basis over a period of 5 Years.

The residual values, useful lives and method of depreciation of are reviewed at the end of each financial year and adjusted prospectively, if appropriate.

Depreciation and Amortisation of the assets commences when the assets are ready for their intended use. Depreciation and amortisation ceases when the net book value of the asset is zero or the asset is no longer in use.

Gains or losses arising from derecognizing of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the statement of profit and loss at the moment that the asset is derecognised.

3.8 Impairment of non-financial assets

Property, plant and equipment and intangible assets with finite life are evaluated for recoverability whenever there is any indication that their carrying amounts may not be recoverable. If any such indication exists, the recoverable amount (i.e. higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the cash generating unit (CGU) to which the asset belongs.

If such assets are considered to be impaired, the impairment to be recognized in the Statement of Profit and Loss is measured by the amount by which the carrying value of the assets exceeds the estimated recoverable amount of the asset. An impairment loss is reversed in the statement of profit and loss if there has been a change in the estimates used to determine the recoverable amount. The carrying amount of the asset is increased to its revised recoverable amount, provided that this amount does not exceed the carrying amount that would have been determined (net of any accumulated amortization or depreciation) had no impairment loss has been recognized for the asset in prior years.

For assets an assessment is made at each reporting period end or whenever triggering event occurs as to whether there is any indication that previously recognised impairment losses may no longer exist or may have decreased. If such indication exists, the Company makes an estimation of the recoverable amount.

A previously recognised impairment loss is reversed only if there has been a change in the estimations used to determine the asset's recoverable amount since the last impairment loss was recognised. If that is the case the carrying amount of the asset is increased to its recoverable amount. That increased amount cannot exceed the carrying amount that would have been determined, net of depreciation, or had no impairment loss been recognised for the asset in prior years.

3.9 Inventories

Raw Materials, Stores and Spares and work in process is valued at lower of weighted average cost (net of Cenvat) and Net Realizable Value (NRV)

Finished Goods have been valued at lower of cost and net realisable value. Cost for this purpose includes direct cost, attributable overheads and excise duty.

By-products are valued at estimated selling price.

NRV is the estimated selling price in the ordinary course of business less the estimated cost of completion and estimated cost necessary to make the sale.

3.10 Trade Receivable

Trade receivables are amounts due from customers for sale of goods or services performed in the ordinary course of business. Trade receivables are recognized initially at fair value. They are subsequently measured at amortised cost using the effective interest method, net of provision for impairment. The carrying value less impairment provision of trade receivables, are assumed to be approximate to their fair values.

3.11 Cash and cash equivalents

Cash and cash equivalents include cash at bank and in hand and deposits held at call with banks.

For the purpose of the cash flows statements, cash and cash equivalents consist of cash and short-term deposits, as defined above, net of outstanding bank overdrafts as they are considered an integral part of the Company's cash management. In the balance sheet, bank overdrafts are shown within borrowings in current liabilities.

3.12 Financial Instruments

a) Investments and other financial assets

i. Initial recognition and measurement

The Company recognizes financial assets when it becomes a party to the contractual provisions of the instrument. All financial assets are recognized at fair value on initial recognition. Transaction costs that are directly attributable to the acquisition or issue of financial assets, which are not at fair value through profit or loss, are added to the fair value on initial recognition. Regular way purchase and sale of financial assets are accounted for at trade date.

ii. Subsequent measurement

For purposes of subsequent measurement, the Company classifies its financial assets in the following measurement categories:

- those to be measured subsequently at fair value (either through other comprehensive income, or through profit or loss), and
- those measured at amortized cost.

The classification depends on the entity's business model for managing the financial assets and the contractual terms of the cash flows. For assets measured at fair value, gains and losses will either be recorded in profit or loss or other comprehensive income. For investments in debt instruments, this will depend on the business model in which the investment is held. For investments in equity instruments, this will depend on whether the Company has made an irrevocable election at the time of initial recognition to account for the equity investment at fair value through other comprehensive income.

The Company reclassifies debt investments when and only when its business model for managing those assets changes.

Debt instruments

Subsequent measurement of debt instruments depends on the Company's business model for managing the asset and the cash flow characteristics of the asset. There are three measurement categories into which the Company classifies its debt instruments:

Amortised cost:

Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortised cost. A gain or loss on a debt investment that is subsequently measured at amortised cost is recognised in profit or loss when the asset is derecognised or impaired. Interest income from these financial assets is included in finance income using the effective interest rate method.

Fair value through other comprehensive income (FVOCI):

Assets that are held for collection of contractual cash flows and for selling the financial assets, where the assets' cash flows represent solely payments of principal and interest, are measured at fair value through other comprehensive income (FVOCI). Movements in the carrying amount are taken through OCI, except for the recognition of impairment gains or losses, interest revenue and foreign exchange gains and losses which are recognised in profit and loss. When the financial asset is derecognised, the cumulative gain or loss previously recognized in OCI is reclassified from equity to profit or loss. Interest income from these financial assets is included in other income using the effective interest rate method.

Fair value through profit or loss (FVTPL):

Assets that do not meet the criteria for amortised cost or FVOCI are measured at fair value through profit or loss. A gain or loss on a debt investment that is subsequently measured at fair value through profit or loss is recognised in profit or loss in the period in which it arises. Interest income from these financial assets is included in other income.

Equity investments

The Company subsequently measures all equity investments at fair value. Where the Company's management has elected to present fair value gains and losses on equity investments in other comprehensive income, there is no subsequent reclassification of fair value gains and losses to profit or loss. Dividends from such investments are recognised in profit or loss as other income when the Company's right to receive payments is established. Changes in the fair value of financial assets at fair value through profit or loss are recognised in the statement of profit and loss. Impairment losses (and reversal of impairment losses) on equity investments measured at FVOCI are not reported separately from other changes in fair value.

Investment in subsidiaries

Investment in subsidiaries is carried at cost less impairment (if any).

iii. De-recognition

A financial asset is derecognised only when:

i. the rights to receive cash flows from the asset have expired, or

ii. the Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows to one or more recipient

Where the entity has transferred an asset, the Company evaluates whether it has transferred substantially all risks and rewards of ownership of the financial asset. In such cases, the financial asset is derecognised. Where the entity has not transferred substantially all risks and rewards of ownership of the financial asset, the financial asset is not derecognised.

Where the entity has neither transferred a financial asset nor retains substantially all risks and rewards of ownership of the financial asset, the financial asset is derecognised if the Company has not retained control of the financial asset. Where the Company retains control of the financial asset, the asset is continued to be recognised to the extent of continuing involvement in the financial asset.

iv. Impairment of Financial Assets

The Company assesses on a forward looking basis the expected credit losses associated with its assets carried at amortised cost and FVOCI debt instruments. The impairment methodology applied depends on whether there has been a significant increase in credit risk.

The impairment methodology for each class of financial assets stated above is as follows:

Debt investments measured at amortised cost and FVOCI:

Debt investments at amortised cost and those at FVOCI where there has been a significant increase in credit risk, lifetime expected credit loss provision method is used and in all other cases, the impairment provision is determined as 12 months expected credit losses.

Trade receivables and lease receivables from customers:

The Company applies the simplified approach to providing for expected credit losses prescribed by Ind AS 109, which requires the use of the lifetime expected loss provision for all trade receivables and lease receivables.

v. Offsetting Financial instruments

Financial assets and liabilities are offset and the net amount reported in the balance sheet when there is a legally enforceable right to offset the recognized amounts and there is an intention to settle on a net basis, or realize the asset and settle the liability simultaneously.

b. Derivative financial instruments

The Company uses derivative financial instruments, such as forward currency contracts, option contract and cross currency swap, to hedge its foreign currency risks and interest rate risks. Such derivatives are initially recognised at fair value on the date a derivative contract is entered into and are subsequently re-measured at their fair value with changes in fair value recognized in the statement of profit and loss, under financial income or financial cost, in the period when they arise.

c. Share Capital:

Ordinary shares are classified as equity. Incremental costs directly attributable to the issue of new shares or options are shown in equity as a deduction, net of tax, from the proceeds.

d. Financial Liabilities

i. Classification as debt or equity

Debt and equity instruments issued by the Company are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definition of a financial liability and an equity instrument. An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities.

ii. Initial recognition and measurement

All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

The Company's financial liabilities include trade and other payables, loans and borrowings including bank overdrafts, financial guarantee contracts and derivative financial instruments.

iii. Subsequent measurement

The measurement of financial liabilities depends on their classification, as described below:

1) Borrowings:

Borrowings are subsequently carried at amortised cost; any difference between the proceeds (net of transaction costs) and the redemption value is recognised in the statement of profit and loss over the period of the borrowings using the effective interest method. Fees paid on the establishment of loan facilities are recognised as transaction costs of the loan to the extent that it is probable that some or all of the facility will be drawn down. In this case, the fee is deferred until the draw-down occurs. To the extent there is no evidence that it is probable that some or all of the facility will be drawn down, the fee is capitalised as a pre-payment for liquidity services and amortised over the period of the facility to which it relates.

Preference shares, which are mandatorily redeemable on a specific date, are classified as liabilities. The dividends on these preference shares are recognized in profit or loss as finance costs.

2) Trade and other payable:

These amounts represent obligations to pay for goods or services that have been acquired in the ordinary course of business from suppliers. Trade and payables are subsequently measured at amortized cost using the effective interest method.

3) Financial Guarantee Contracts:

Financial Guarantee Contracts are recognized as a financial liability at the time the guarantee is issued. The liability is initially is measured at fair value and subsequently at the higher of the amount determined in accordance with IND AS 37 and the amount initially recognized less cumulative amortization, where appropriate.

The fair value of financial guarantee is determined as the present value of the differences in net cash flows between the contractual payments under the debt instruments and the payments that would be required without the guarantee, for the estimated that would be payable to third party for assuming the obligation.

There is a restriction in the agreements executed with the financial instruments for charging of guarantee commission for guarantees given.

iv. De-recognition

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the de-recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit or loss.

3.13 Income tax

Income tax expense comprises current and deferred income tax. Income tax expense is recognized in net profit in the statement of profit and loss except to the extent that it relates to items recognized directly in equity, in which case it is recognized in other comprehensive income. Current income tax for current and prior periods is recognized at the amount expected to be paid to or recovered from the tax authorities, using the tax rates and tax laws that have been enacted or substantively enacted by the balance sheet date. Deferred income tax assets and liabilities are recognized for all temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements. Deferred tax assets are reviewed at each reporting date and are reduced to the extent that it is no longer probable that the related tax benefit will be realized.

Deferred income tax assets and liabilities are measured using tax rates and tax laws that have been enacted or substantively enacted by the balance sheet date and are expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled. The effect of changes in tax rates on deferred income tax assets and liabilities is recognized as income or expense in the period that includes the enactment or the substantive enactment date. A deferred income tax asset is recognized to the extent that it is probable that future taxable profit will be available against which the deductible temporary differences and tax losses can be utilized. The company offsets current tax assets and current tax liabilities, where it has a legally enforceable right to set off the recognized amounts and where it intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously.

3.14 Employee Benefits

a) Short-term / long term obligations

All employee benefits payable wholly within twelve months of rendering the service including performance incentives and compensated absences are classified as short term employee benefits. The undiscounted amount of short term employee benefits expected to be paid in exchange for the services rendered by employees are charged off to the Statement of Profit and Loss/ Capital Work-in-Progress, as applicable. The employee benefits which are not expected to occur within twelve months are classified as long term benefits and are recognised as liability at the net present value.

b) Defined contribution plan

Contributions to defined contribution schemes such as provident fund, Employees State Insurance and Pension Plans are charged off to the Statement of Profit and Loss/ Capital Work-in-Progress, as applicable, during the year in which the employee renders the related service.

c) Defined benefit plan

i Gratuity :

The liability or asset recognized in the balance sheet in respect of defined benefit gratuity plan is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets.

The defined benefit obligation is calculated annually by independent actuaries using the projected unit credit method. The present value of the defined benefit obligation is determined by discounting the estimated future cash outflows using interest rates of government bond and that have terms to maturity approximating to the terms of the related gratuity.

Re-measurements, comprising of actuarial gains and losses, the effect of the asset ceiling, excluding amounts included in net interest on the net defined benefit liability and the return on plan assets (excluding amounts included in net interest on the net defined benefit liability), are recognised immediately in the balance sheet with a corresponding debit or credit to retained earnings through Other Comprehensive Income (OCI) in the period in which they occur. Re-measurements are not reclassified to profit or loss in subsequent periods.

Net interest is calculated by applying the discount rate to the net defined benefit liability or asset.

ii) Other Long term employee benefits:

The company has a policy on compensated absences which are both accumulating and non-accumulating in nature. The expected cost of accumulating compensated absences is determined by actuarial valuation performed by an independent actuary at each balance sheet date using projected unit credit method on the additional amount expected to be paid/availed as a result of the unused entitlement that has accumulated at the balance sheet date. Expense on non-accumulating compensated absences is recognized in the statement of profit or loss in the period in which the absences occur.

The Company has a scheme for payment of Loyalty on retirement to eligible employees. The scheme is unfunded. The expected cost of loyalty obligation is determined by actuarial valuation performed by an independent actuary at each balance sheet date using projected unit credit method. Expense on loyalty obligation is recognized in the statement of profit or loss in the period in which they occur.

3.15 Provisions, contingent liabilities and contingent assets

Provisions

Provisions are recognized when the Company has a present legal or constructive obligation as a result of past events; it is probable that an outflow of resources will be required to settle the obligation; and the amount has been reliably estimated.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.

Contingent liabilities

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company. A present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or reliable estimate of the amount cannot be made, is termed as contingent liability.

Contingent Assets

Contingent assets is disclosed where an inflow of economic benefit is probable.

3.16 Earnings per share

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders (after deducting attributable taxes) by the weighted average number of equity shares outstanding during the period.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

3.17 Cash flow statement

Cash flows are reported using the indirect method, whereby profit before tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

3.18 Critical accounting estimates and judgements

Preparing the financial statements under Ind AS requires management to take decisions and make estimates and assumptions that may impact the value of revenues, costs, assets and liabilities and the related disclosures concerning the items involved as well as contingent assets and liabilities at the balance sheet date. Estimates and judgements are continusally evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

The Company make estimates and assumptions concerning the future. The resulting accounting estimates will, by definition, seldom equal the related actual results. The estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are discussed below:

(a) Impairment of Non-Financial Assets

The Company assesses at each reporting date whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or CGU's fair value less costs of disposal and its value in use. It is determined for an individual asset, unless the asset does not generate the cash inflow that is largely independent of those from other asset or group of assets. Where the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

In assessing the value in use, the estimated future cash flow are discounted to their present value using a pre-tax discount rate that reflects current market assessment of the time value of money and the risks specific to the asset. In determining fair value less costs of disposal, recent market transactions are taken into account. If no such transactions can be identified, an appropriate valuation model is used. These calculations are corroborated by valuation multiples, quoted shares prices for publicly traded subsidiaries or other available fair value indicators.

(b) Impairment of Financial Assets

The impairment provisions for financial assets are based on assumption about risk of default and expected loss rate. The Company uses judgement in making these assumptions and selecting the inputs to the impairment calculation, based on Company's past history, existing market conditions as well as forward looking estimates at the end of each reporting period.

(c) Defined benefit obligations

The present value of the defined benefit obligations depends on a number of factors that are determined on an actuarial basis using a number of assumptions. The assumptions used in determining the net cost (income) for post employments plans include the discount rate. Any changes in these assumptions will impact the carrying amount of such obligations.

The Company determines the appropriate discount rate at the end of each year. This is the interest rate that should be used to determine the present value of estimated future cash outflows expected to be required to settle the defined benefit obligations. In determining the appropriate discount rate, the Company considers the interest rates of government bonds of maturity approximating the terms of the related plan liability.

(d) Income taxes

There are transactions and calculations for which the ultimate tax determination is uncertain and would get finalized on completion of assessment by tax authorities. Where the final tax outcome is different from the amounts that were initially recorded, such differences will impact the income tax and deferred tax provisions in the period in which such determination is made.

Deferred tax on temporary differences reversing within the tax holiday period is measured at the tax rates that are expected to apply during the tax holiday period, which is the lower tax rate or the nil tax rate.

Recoverability of advances /receivables

At each balance sheet date, based on historical default rates observed over expected life, the management assesses the expected credit loss on outstanding receivables and advances.

3.19 Standards issued but not yet effective and have not been adopted early by the Company

a.) Ind AS 7, 'Statement of Cash Flows

The Ministry of Corporate Affairs has issued the Companies (Indian Accounting Standards) (Amendment) Rules, 2017 (the 'Amendment rules') on 17 March 2017, notifying amendment to Ind AS 7, 'Statement of Cash Flows'.

The amendment to Ind AS 7 introduces an additional disclosure that will enable users of financial statements to evaluate changes in liabilities arising from financing activities, including both changes arising from cash flows and non-cash changes.

These amendments shall come into force on the 1st day of April, 2017 and Company shall apply the amendments in its financial statements for annual periods beginning on or after 1 April 2017.

During initial application of the amendment in Ind AS 7, Company will have to give reconciliation between the opening and closing balances in the balance sheet for liabilities arising from financing activities.

These amendments are mandatory for the reporting period beginning on or after April 01, 2017.

16(ii) - Terms/Rights attached to Equity Shares

The company has only one class of equity shares having a par value of ₹10 per share. Each holder of equity shares is entitled to one vote per share. The company declares and pays dividends in Indian rupees. The dividend proposed by the board of directors is subject to the approval of the shareholders in the ensuing Annual General Meeting.

During the year ended 31st March, 2018 the amount of dividend proposed for distribution to equity shareholders is ₹ Nil per share (previous year - ₹ Nil per share)

In the event of liquidation of the company, the holders of equity shares will be entitled to receive remaining assets of the company, after distribution of all preferential amounts. The distribution will be in proportion to the number of equity shares held by the shareholders.

19 (a) Amount Due to Micro and Small Enterprises

The Company has initiated the process of identifying the suppliers who qualify under the definition of micro and small enterprises, as defined under the Micro, Small and Medium Enterprises Development Act, 2006. Since no intimation has been received from the suppliers regarding their status under the said Act as at 31st March 2017, disclosures relating to amounts unpaid as at the year end, if any, have not been furnished. In the opinion of the management, the impact of interest, if any, that may be payable in accordance with the provisions of the Act is not expected to be material.

Chemical Process Ltd. filed petition before Micro small and medium Enterprises Facilitation Council, Konkan Division under section 18 (1) of Micro, Small and medium Enterprises Development Act 2006 claiming outstanding amount of ₹ 281.72 lacs against the supply of product as per the contract dated 21st June 2013 for "Design, engineering, fabrication, testing, supply, supervision, commissioning assistance of FRP reactor for Tamzinco Project.

EZL filed reply before the Facilitation Council on the ground that EZL is a sick company and its case is registered with the BIFR. EZL further stated that protection under section 22 (1) of SICA is available immediately after registration of reference with BIFR. Since EZL proceedings are still pending with BIFR, proceedings under Micro, Small and medium Enterprises Development Act 2006 can only be initiated with prior consent from BIFR or the appellate authority. This was turned down.

M/s. Chemical Process Equipments Pvt. Limited an MSE had approached Mico and Small Enterprises Facilitation Council, Mumbai Region, Directorate of Industries, Government of Maharashtra for their claims and the latter has vide their order dated January 10, 2018 ordered the Company that "Respondent is required to pay to the Petitioner ₹ 281.72 lakhs alongwith interest on each and every due amount of the invoice when become payable after deduction of 30 days till the realization of the amount to the Petitioner. As banks have taken action under SARFESI and is under symbolic possession of the Banks w.e.f 16th December 2016, no interest has been charged or considered in the Profit and Loss Accounts statements.

NOTE NO. 22 (a)

Edayar Zinc Limited(EZL) had not operated the plant from November 27, 2014. An application for closure of the plant was made to the Government of Kerala on June 12, 2015 and the same was rejected without granting us an opportunity to be heard. On October 16, 2015 the Labour Secretary rejected the review petition filed under Section 25-O(5) of the Industrial Disputes Act, 1947. Consequently, EZL filed a writ Mandamus in High Court of Kerala seeking directive to refer the matter for adjudication. Under the circumstance the entire provisions for employee benefits has been classified as Short-Term liability.

NOTE NO. 29(ii)

In the financial year 2017-18, KSEB has raised a demand vide letter dated 19/02/2018 for payment of ₹ 4935 lakhs being arrears of electricity charges w.e.f. April 2014. The Company was also eligible for a refund of ₹22.92 lakhs based on Government of Kerala refund of Electricity Duty Order No. GO(Ms.) No.10/2016/PD dated 22/04/2016.

KSEB was to correct the bills and accounts consequent upon High Court Order dated 25th March 2013 (WA No. 336 of 2010).

The Company has requested for reduction in the contract demand in February 2015 for reduction to 1500 KVA and thereafter requested for further reduction to 300 KVA pursuant to the spot inspection done by KSEB in October 2015.

The Kerala Electricity Supply code, 2014 contains provisions for disposal of application for reduction of contract demand in a time bound manner i.e. 45 days in case of EHT connection. Regulation 60 of the said code also states that if the applicant fails to avail supply due to reasons beyond its control, the applicant shall not be liable to pay any compensation or charges for such failure.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS AS AT AND FOR THE PERIOD ENDED 31ST MARCH, 2018

KSEB's letter dated 05/04/2016 stated " As per Regulation in Supply Code 2014, the licensor is bound to reduce the Contract Demand as requested by the consumer. The KSEB has already directed the agreement authority to reduce the Contract Demand and the compliance from the agreement authority in this regard is not received till date. Thereafter the bills already issued will be revised and the excess payment made if any, will be adjusted in the arrears."

Due to reasons beyond the control, the Company could not operate the plant and therefore could not utilize the contract demand. Therefore the Company should not be held liable for fixed component of the contract demand. The charges on the contract demand are penalty in nature. The Company has requested KSEB to withdraw the same from the month of February 2015.

The Company is in the process of writing a suitable letter to KSEB covering all the above.

NOTE NO. 29(iii)

In the matter of writ filed by Mr. P.E. Shamsudheen in which the Kerala High Court on 4th January, 2016 passed interim order against shifting of plants, machineries and equipment from factory till disposal of writ petition. The matter is subjudice.

Kerala Water Authority has demanded payment of the following:-

Particulars	**Amount (₹)**
Deposit for supplying of water to existing residences (516 in number) in ward No. 15 of Kadungaloor Panchayat as per agreement dated 9th March 2005. (Net of deposit of ₹ 16,02,635 vide cheque dated 8/8/2006 of South Indian Bank)	35,98,645.00
Incremental deposit as per revision of water charges for 10KL for 516 connections for the period October 2010 till march 2018*	9,28,800.00
Dues for water connection upto February 15, 2018	8,31,139.00
Additional demand of kadungaloor Panchayat as discussed in meeting dated 28th December 2017 where the beneficiaries are increasing the number of beneficiaries to 550 from 516 (calculation to be understood)	6,85,440.00
Additional deposit for future tariff increases	52,01,280.00
Pending water dues of 516 families after deduction of payment by EZL till November 2017	21,44,523.00
Total	**1,33,89,827.00**

* Delay in deposit of this amount would entail payment of ₹ 10,320 per month.

Note :

(Figures in brackets pertain to previous year)

The recurring expenses to maintain Edayar Zinc Limited is being funded by Binani Industries Limited.

* Jointly and Severally with the Holding Company and Fellow subsidiaries

*** Pursuant to Amalgamation of Binani Metals Limited with Binani Industries Limited w.e.f. 01.04.2015 [Appointed Date] vide H' onble Calcutta High Court order dated 21.01.2016, Nirbhay Management Services Private Limited and Narsingh Management Services Private Limited became fellow subsidiaries of the Company.

Names of related parties and description of relationship:

a Holding Company: Binani Industries Limited

b Fellow Subsidiary (including step down subsidiaries): Binani Cement Limited, Goa Glass Fibre Limited, BIL Infratech Limited, 3B Binani Glassfibre Sarl, 3B Fibreglass Norway AS, Nirbhay Management Services Private Limited and Narshing Management Services Private Limited.

c Subsidiaries: R.B.G. Minerals Industries Limited,.

d Key Management Personnel & Enterprises where Promoters have got significant influence:

(excluding holding company, subsidiaries and fellow subsidiaries) Mr. Braj Binani and Triton Trading Company Private Limited.

NOTE NO. 36

Financial risk management

The Company's business activities expose it to a variety of financial risks, namely liquidity risk, market risks and credit risk. The Company's senior management has overall responsibility for the establishment and oversight of the Company's risk management framework. In order to minimise any adverse effects on the financial performance of the group, derivative contracts are entered to hedge certain foreign currency exposures and variable interest rate exposures. Derivatives are used exclusively for hedging purposes and not as trading or speculative instruments.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS AS AT AND FOR THE PERIOD ENDED 31ST MARCH, 2018

This note explains the sources of risk which the entity is exposed to and how the entity manages the risk :

Risk	Exposure arising from	Measurement	Management
Credit Risk	Cash and cash equivalents, trade receivables, derivative financial instruments, financial assets measured at amortised cost.	Aging analysis Credit rating	Diversification of bank deposits, credit limits and letters of credit
Liquidity Risk	Borrowings and other liabilities	Rolling cash flow forecasts	Availability of committed credit lines and borrowing facilities
Market risk – foreign exchange	Future commercial transactions Recognised financial assets and liabilities not denominated in Indian rupee (INR)	Cash flow forecasting Sensitivity analysis	Forward foreign exchange contracts, Cross Currency Swap, Call Spread
Market risk – interest rate	Long-term borrowings at variable rates	Sensitivity analysis	Interest rate swaps
Market risk – security prices	Investments in equity securities	Sensitivity analysis	Portfolio diversification

The group's risk management is carried out by a central treasury department (group treasury) under policies approved by the board of directors. Group treasury identifies, evaluates and hedges financial risks in close cooperation with the group's operating units. The board provides written principles for overall risk management, as well as policies covering specific areas, such as foreign exchange risk, interest rate risk, credit risk, use of derivative financial instruments and non-derivative financial instruments, and investment of excess liquidity.

The Group's use of leverage and borrowings can increase the Group's exposure to these risks, which in turn can also increase the potential returns the Group can achieve. The finance team manages these exposures on an individual securities level. The Group has specific limits on these instruments to manage the overall potential exposure. These limits include the ability to borrow against the assets of the Group up to a maximum __________ or ——% of gross assets, whichever is lower, and a limit on derivative contracts such that the net notional contract values should not exceed —% of net assets attributable to holders of redeemable shares.

(A) Credit risk

The company is exposed to credit risk, which is the risk that counterparty will default on its contractual obligation resulting in a financial loss to the group. Credit risk arises from cash and cash equivalents, financial assets carried at amortised cost, derivative products and deposits with banks and financial institutions, as well as credit exposures to trade/non-trade customers including outstanding receivables.

(i) Credit risk management

Credit risk is managed at subsidiary entity level and parent entity/group level depending on the policy surrounding credit risk management. For banks and financial institutions, only high rated banks/institutions are accepted. Generally all policies surrounding credit risk have been managed at parent entity or group level except for those surrounding accounts receivable balances. The Group's policy to manage this risk is to invest in debt securities that have a minimum credit rating of BBB as designated by well-known rating agencies. Within the above limits, the Group may also invest in unrated assets where a rating is assigned by a valuation expert using an approach that is consistent with the approach used by that rating agency. The analysis below summarises the credit quality of the Group's debt portfolio at 31 March.

The company considers the probability of default upon initial recognition of asset and whether there has been a significant increase in credit risk on an ongoing basis throughout each reporting period. To assess whether there is a significant increase in credit risk the company compares the risk of a default occurring on the asset as at the reporting date with the risk of default as at the date of initial recognition.

Macro economic information (such as market interest rates or growth rates) is incorporated as part of the internal rating model. Regardless of the analysis above, a significant increase in credit risk is presumed if a debtor is more than 30 days past due in making a contractual payment. A default on a financial asset is when the counterparty fails to make contractual payments within 60 days of when they fall due. Financial assets are written off when there is no reasonable expectation of recovery, such as a debtor failing to engage in a repayment plan with the group. The group categorises a receivable for write off when a debtor fails to make contractual payments greater than 120 days past due. Where receivables have been written off, the company continues to engage in enforcement activity to attempt to recover the receivable due. Where recoveries are made, these are recognised in profit or loss.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS AS AT AND FOR THE PERIOD ENDED 31ST MARCH, 2018

(ii) Provision for expected credit losses (ECL)

Internal rating	Description	Category	Basis of recognition of ECL provision		
			Investments	Loans and deposits	Trade receivables
1	Assets where the counter party has strong capacity to meet the obligation and where the risk of default is negligible or nil	High quality assets	12 months ECL	12 months ECL	Life time ECL (simplified approach)
2	Assets where there has been a significant increase in credit risk since initial recognition.	Sub-standard assets	Life time ECL	Life time ECL	
3	Assets are written off when there is no reasonable expectation of recovery. The group categorises a loan	Doubtful assets, credit impaired	Asset is written off

NOTE NO. 38 - FINANCIAL RISK MANAGEMENT

Financial risk management

The Company's financial risk management is an integral part of how to plan and execute its business strategies. The Company's financial risk management policy is set by the Managing Board.Market risk is the risk of loss of future earnings, fair values or future cash flows that may result from a change in the price of a financial instrument. The value of a financial instrument may change as a result of changes in the interest rates, foreign currency exchange rates, equity prices and other market changes that affect market risk sensitive instruments. Market risk is attributable to all market risk sensitive financial instruments including investments and deposits, foreign currency receivables, payables and loans and borrowings.

The Company manages market risk through a treasury department, which evaluates and exercises independent control over the entire process of market risk management. The treasury department recommend risk management objectives and policies, which are approved by Senior Management and the Audit Committee. The activities of this department include management of cash resources, implementing hedging strategies for foreign currency exposures like foreign exchange forward contracts, borrowing strategies and ensuring compliance with market risk limits and policies.

The Company's risk management is carried out by Finance department under policies approved by the board of directors. The Company finance department identifies, evaluates and hedges financial risks in close cooperation with the Company's operating units. The board provides written principles for overall risk management, as well as policies covering specific areas, such as foreign exchange risk, interest rate risk, credit risk, use of derivative financial instruments and non-derivative financial instruments, and investment of excess liquidity.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS AS AT AND FOR THE PERIOD ENDED 31ST MARCH, 2018

(A) Credit risk

The company is exposed to credit risk, which is the risk that counter party will default on its contractual obligation resulting in a financial loss to the group. Credit risk arises from cash and cash equivalents, financial assets carried at amortised cost, derivative products and deposits with banks and financial institutions, as well as credit exposures to trade/non-trade customers including outstanding receivables.

(i) Credit risk management

Credit risk arises from the possibility that the counter party may not be able to settle their obligations as agreed. To manage this, the Company periodically assesses financial reliability of customers and other counter parties, taking into account the financial condition, current economic trends, and analysis of historical bad debts and ageing of financial assets. Individual risk limits are set and periodically reviewed on the basis of such information.

The Company considers the probability of default upon initial recognition of asset and whether there has been a significant increase in credit risk on an ongoing basis through each reporting period. To assess whether there is a significant increase in credit risk the Company compares the risk of default occurring on asset as at the reporting date with the risk of default as at the date of initial recognition. It considers reasonable and supportive forwarding-looking information such as:i) Actual or expected significant adverse changes in business,ii) Actual or expected significant changes in the operating results of the counterparty,iii) Financial or economic conditions that are expected to cause a significant change to the counterparty's ability to meet its obligations,iv) Significant increase in credit risk on other financial instruments of the same counterparty,v) Significant changes in the value of the collateral supporting the obligation or in the quality of the third-party guarantees or credit enhancements.

Financial assests are written off when there is no reasonable expectations of recovery, such as a debtor failing to engage in a repayment plan with the Company. Where loans or receivables have been written off, the Company continues to engage in enforcement activity to attempt to recover the receivable due. Where recoveries are made, these are recognized as income in the statement of profit and loss.

The Company measures the expected credit loss of trade receivables and loan from individual customers based on historical trend, industry practices and the business environment in which the entity operates. Loss rates are based on actual credit loss experience and past trends. Based on the historical data, loss on collection of receivable is not material hence no additional provision considered.

Ageing of Account receivables

Particulars	As at 31st March 2018	As at 31st March 2017
Not due		
0-180 Days	-	-
181-360 Days	-	-
1 years to 2 years	-	-
More than 2 years	-	-
Total	-	-

Financial Assets are considered to be of good quality and there is no significant increase in credit risk.

NOTE NO. 39

(A) Liquidity risk

Prudent liquidity risk management implies maintaining sufficient cash and marketable securities and the availability of funding through an adequate amount of committed credit facilities to meet obligations when due and to close out market positions. Due to the dynamic nature of the underlying businesses, group treasury maintains flexibility in funding by maintaining availability under committed credit lines.

Management monitors rolling forecasts of the company's liquidity position (comprising the undrawn borrowing facilities below) and cash and cash equivalents on the basis of expected cash flows. This is generally carried out at Corporate in accordance with practice and limits set by the Holding Company Management . These limits vary by location to take into account the liquidity of the market in which the entity operates. In addition, the group's liquidity management policy involves projecting cash flows in major currencies and considering the level of liquid assets necessary to meet these, monitoring balance sheet liquidity ratios against internal and external regulatory requirements and maintaining debt financing plans.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS AS AT AND FOR THE PERIOD ENDED 31ST MARCH, 2018

(i) Financing arrangements

The group had access to the following undrawn borrowing facilities at the end of the reporting period:

Floating rate	31 March 2018	31 March 2017
Expiring within one year (bank overdraft and other facilities)	**24,285.59**	24,376.84
Expiring beyond one year (bank loans)	**-**	-
	24,285.59	24,376.84

The bank overdraft facilities may be drawn at any time and may be terminated by the bank without notice. Subject to the continuance of satisfactory credit ratings, the bank loan facilities may be drawn at any time in INR and have an average maturity of 1 years (2016 – 1 years, 2015 - 1 years).

(ii) Maturities of financial liabilities

The tables below analyse the company's financial liabilities into relevant maturity groupings based on their contractual maturities for:

- all non-derivative financial liabilities, and
- net and gross settled derivative financial instruments for which the contractual maturities are essential for an understanding of the timing of the cash flows.

The amounts disclosed in the table are the contractual undiscounted cash flows. Balances due within 12 months equal their carrying balances as the impact of discounting is not significant.

(₹ In Lakhs)

Contractual maturities of financial liabilities 31 March 2018	Less than 3 months	3 months to 6 months	6 months to 1 year	Between 1 and 2 years	Between 2 years and 5 years

Others					3,350.16
Total non-derivative liabilities					**28,950.97**

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS AS AT AND FOR THE PERIOD ENDED 31ST MARCH, 2018

(B) Market risk

(i) Foreign currency risk

The group does not have material revenue from overseas operations. However, the entity makes imports of coal, EPC contract materials and capital goods. Further the group holds monetary assets in the form of investments in currency other than its functional currency i.e. Indian Rupee. The group has long term monetary liabilities which are in currency other than its functional currency. Currency exposure arising from the net assets of the Company's foreign operations is managed primarily through borrowings denominated in the relevant foreign currencies. Foreign currency risk, as defined in Ind AS 107, arises as the value of future transactions, recognised monetary assets and monetary liabilities denominated in other currencies fluctuate due to changes in foreign exchange rates.

While the company has direct exposure to foreign exchange rate changes on the price of non-Indian Rupee-denominated securities and borrowings, it may also be indirectly affected by the impact of foreign exchange rate changes on the earnings of companies in which the Group invests. For that reason, the below sensitivity analysis may not necessarily indicate the total effect on the Group's net assets attributable to holders of equity shares of future movements in foreign exchange rates.

The above risks may affect the Company's income and expenses, or the value of its financial instruments. The objective of the Company's management of market risk is to maintain this risk within acceptable parameters, while optimising returns. The Company's exposure to, and management of, these risks is explained below:

It is the policy of the Group to enter into forward foreign exchange contracts to cover specific foreign currency payments and receipts within 10 days of exposure generated.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS AS AT AND FOR THE PERIOD ENDED 31ST MARCH, 2018

NOTE NO. 41 - CAPITAL MANAGEMENT

(a) Risk management

The company's objectives when managing capital are to safeguard the company's ability to continue as a going concern in order to provide returns for shareholders and benefits for other stakeholders and to maintain an optimal capital structure to reduce the cost of capital. In order to maintain or adjust the capital structure, the group may adjust the amount of dividends paid to shareholders, return capital to shareholders, issue new shares or sell assets to reduce debt.

Consistent with others in the industry, the company monitors capital on the basis of the gearing ratio. This ratio is calculated as net debt divided by total capital. Net debt is calculated as total borrowings (including 'current and non-current borrowings' as shown in the consolidated balance sheet) less cash and cash equivalents. Total capital is calculated as 'equity' as shown in the consolidated balance sheet plus net debt.

Adjustments for current tax of prior periods	**-**	-
Tax losses for which no deferred income tax was recognised	**-**	-
Income tax expense	**-**	-

Note: Deferred Income Tax Asset is not recognised in the books.

44.1 In the year 2004 KSEB had imposed penalty of ₹ 20 lakhs per month for unauthorized additional load. The Single Bench of the Hon'ble High Court of Kerala, had in December 2009, disposed the Company's Petition against the Order of the Appellate Authority (Dy. Chief Engineer KSEB) and quashed the order levying penalty for unauthorised additional load. Matter was remanded with a direction to take a decision afresh in accordance with Law considering the bonafide conduct of the Company. The Single Judge held that the Company had obtained all the necessary approvals & energization order from Electrical Inspectorate as stipulated in the conditions of supply of KSEB and since there was no violation, the penal charges are not payable. However matter was remanded. Company filed appeal against remand before the Division Bench. Division Bench held in Company's favor completely. Hence no provision is considered necessary at this stage.

44.2 In respect of electricity charges payable for certain years in the prior period, KSEB had withdrawn the concessional tariff eligible for the Company. Though initially the tariff concession was extended, it was subsequently withdrawn by KSEB, on the specific plea that the capacity expansion (which was the criteria for eligibility) was not achieved before due date. KSEB raised claim for ₹ 816.88 Lakhs for those years, which was provided for. The Company had taken up the matter before the Hon'ble High Court of Kerala, which was admitted. KSEB withdrew its earlier order and sought permission for de novo determination, which was accepted by the Single Judge. Company went before Division Bench to issue necessary orders for accepting Company's eligibility. Hearings have been completed and reserved for judgement. Since the matter is pending for nearly three decades and based on the legal advice obtained, the said amount of ₹ 816.88 lakhs provided for, was considered no longer payable and written back in the accounts of the Company in the year 2003-04. The Company, as legally advised, is hopeful of a favourable decision on final settlement of the issues involved in the matter and hence no provision is made for the said amount, which is included under contingent liabilities.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS AS AT AND FOR THE PERIOD ENDED 31ST MARCH, 2018

NOTE NO. 45 - SEGMENT REPORTING

The Company operates in a single segment i.e. 'Production and Sales of Zinc and allied products in India'. The company's entire Zinc sales are in India. Hence no additional disclosures under Ind AS "Operating Segments" are required in these financial statements.

NOTE NO. 46 - RISK MANAGEMENT TRANSACTIONS

46.1 The Company undertakes hedging against the risk in commodity prices (zinc prices) through derivative instruments in London Metal Exchange. The gain/losses are recognized in the Statement of Profit and Loss on settlement of the transaction. However, during the year 2017-18, the Company has not undertaken any fresh hedging activities.

46.2 In pursuance of the announcement dated 29/03/2008 of the Institute of Chartered Accountants of India on accounting for derivatives, mark to market gains (net) on outstanding derivative instruments as at 31/03/2018 stood at Nil (Previous Year Nil).

NOTE NO. 47

Punjab National Bank (PNB) in its capacity as lead bank had initiated action under section 13(4) of SARFAESI Act, 2002. The Company had filed a writ petition before Bombay High Court challenging the action initiated by its Bankers under section 13(4) of the SARFAESI Act, 2002. Bombay High Court vide order dated 23rd June, 2016 disposed off the writ petition filed by Company. The Court whilst ruling in favor of lenders has granted six weeks period from the date of the order for seeking appropriate legal remedy from DRT and directed lenders to seek only symbolic possession of immovable properties during such period granted to the Company.

EXIM bank filed their appearance on 20th April 2017. In the opinion of the management, the assets of the Company are sufficient to discharge the liabilities at this stage. Accordingly the financial statements for the current year are drawn up on going concern basis. DRT proceedings are undergoing.

NOTE NO. 48

The management is of the opinion, taking due consideration of the factors stated in Notes above and also that the realisable value of the assets is more than the carrying value in accordance with the provisions of Indian Accounting Standard – IND AS 36 (Impairment of Assets). The assets are not tested for impairment.

NOTE NO. 49 - ADVANCE FOR SALE OF LAND

The agreement with M/s Rhea Realty Private Limited for sale of land is pending before the Honourable High Court of Kerala. This is pursuant to the order of the Paravoor Civil Court in the subject matter. While discussions are underway, in the matter of dispute on the sale agreement, ₹ 100 lakhs was received from M/s Megalith Builders Private Limited (a related party of M/s Rhea Realty Private Limited) as further advance for land sale as a goodwill gesture.

NOTE NO. 50

Bankers lead by Punjab National Bank who had taken symbolic possession of the following mortgaged assets (on 21/07/2016) have issued a notice for auction of the property "Land and Building and Plant and Machinery situated at Edayar Zinc Limited in an extent of 95.34 acres in Binanipuram, Kadungaloor, Village Parur Taluka, Ernakulam District admeasuring area of Land: 95.34 acres Industrial Building admeasuring area 117483 sq. meters mortgaged to Consortium as collateral security."

NOTE NO. 51

EZL filed Insurance Claim before the consumer dispute Kerala State Commission against Oriental Insurance Co. Ltd. seeking order directing Oriental Insurance to pay an amount of ₹ 71.12 lakhs.

Oriental insurance company rejected EZL's claim citing non-disclosure of material facts by EZL ie. Non-disclosure that DG set was old. EZL's contention is that EZL have asked Oriental Insurance Co. Ltd to cover the existing DG set & not a new one.

NOTE NO. 52

In respect of capital goods imported at concessional rate of duty under the EPCG Scheme, the Company received notice no. DRI/BZL/CHN/SCN-08/2016 from DRI dated 29/11/2016 for an export obligation of ₹ 965.02 lakhs which is required to be met at different dates before November 2019. In the event of non-fulfilment of the export obligation, the Company will be liable to refund the availment of concessional customs duties and penalties as applicable. The DRI authorities had come to the plant and seized the imported capital goods which was in carton, which is included in CWIP.

DRI vide order dated 01/02/2018 have ordered payment due of ₹ 1.95 crore as follows which would be made good by enforcing the Bond executed at the time of clearance of the consignment. The value of bonds issued at the time of Import is ₹1.32 crore (see break-up below). This apart, the goods imported of value ₹ 3.65 crores have been confiscated.
